

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Examiner in Gynecology, Ophthalmology, Otology, Eclectic Materia
Medica and Therapeutics, and Theory and Practice of Medicine.

W. T. GOTT, M. D., Secretary.....Crawfordsville

Examiner in Obstetrics, Laryngology, Dermatology, Homeopathic
Materia Medica and Therapeutics, and Theory
and Practice of Medicine.

JAMES M. DINNEN, M. D., Treasurer.....Fort Wayne

Examiner in Chemistry, Surgery, Rhinology and Medical
Jurisprudence.

W. A. SPURGEON, M. D.....Muncie

Examiner in Anatomy, Physiology, Pathology, Bacteriology, Physio-
Medical Materia Medica and Therapeutics, and Theory
and Practice of Medicine.

**INDIANA MEDICAL LAW OF 1897, WITH AMEND-
MENTS OF 1899 AND 1901.**

Section 1. Be it enacted by the General Assembly of the State of Indiana, That it shall hereafter be unlawful for any person to practice medicine, surgery or obstetrics in this State without first obtaining a license so to do, as hereinafter provided.

Sec. 2. After this law goes into effect, any person desiring to begin the practice of medicine, surgery or obstetrics in this State, shall procure from the State Board of Medical Registration and Examination a certificate that such person is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana; and in order to procure such certificate the applicant shall submit to the State Board of Medical Registration and Examination his diploma, with an affidavit setting forth the time and number of terms, duration of each term, applicant was required to be in attendance at said school in order to complete said course of study, and that the affiant is the person to whom such diploma was issued. Such application shall be accompanied by the affidavit of two freeholders resident in the same county in which the applicant resides, stating that the applicant is the person named in the accompanying diploma and application for a certificate. All diplomas received by the Board shall be returned to the person owning the same, and for failure to return any diploma to its lawful owner within a reasonable time the secretary of said Board shall be liable on his bond for damages in the sum of twenty-five dollars (\$25). Such applicant shall pay to said Board the sum of ten dollars (\$10) at the time of making such application. All persons who were practicing medicine, surgery and obstetrics in the State of Indiana on March 8, 1897, and have not complied with the provisions of the law, and desiring to continue the same, shall, on or before July 11, 1899, obtain a certificate that they are entitled to do so by presenting to the State Board of Medical Registration and Examination the license possessed by them at the time of the passage of this law, together with an affidavit that they are the legal possessors of the same, and the persons mentioned therein, and such applicant shall pay to the Board the sum of one dollar (\$1) at the

time of making such application. The Board shall thereupon issue to such applicant a certificate, which, when presented to the County Clerk of the proper county, shall entitle the holder to a license to practice medicine, surgery and obstetrics in the State of Indiana. In the event an applicant for a certificate from the State Board of Medical Registration and Examination shall present a diploma from a medical college which is not recognized as maintaining a sufficiently high grade or standard of medical education as defined and fixed in the records of the Board, the applicant shall have the privilege of being examined as to his qualifications to practice medicine, surgery and obstetrics in such manner as the Board shall provide, and if he shall pass an examination satisfactory to the Board he shall receive a certificate, the same as if he had presented a satisfactory diploma and other evidences and qualifications for the practice of medicine. But if he should fail to pass such examination he shall be permitted to submit to another examination within twelve months from the time of the first examination. He shall pay to the State Board of Medical Registration and Examination the sum of twenty-five dollars (\$25): Provided, however, That payment of said sum of twenty-five dollars (\$25) shall entitle him to a re-examination in case of failure at the first or any subsequent examination: And provided further, That if such applicant shall fail to pass the examination prescribed by such Board of Medical Registration and Examination, he shall have the right to an appeal to the Circuit or Superior Court of the proper county, requiring such Board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the State of Indiana, upon the applicant giving a good and satisfactory bond, to be approved by the court, to secure all costs of suit should the appeal be determined against him. Upon the receipt of the certificate by the applicant from the State Board of Medical Registration and Examination, the applicant shall, upon the presentation thereof to the Clerk of the county in which he resides, receive from the County Clerk a license to practice medicine, surgery and obstetrics within the State of Indiana. The persons receiving such license shall pay to the County Clerk fifty cents (\$0.50) as his fee for issuing and recording such license, as hereinafter provided. In case of change of residence from one county to another within this State, the holder of a physician's license shall obtain a new license in the county where he proposes to reside, by filing with

the County Clerk the license obtained by him in the county in which he last resided, in the same manner as provided for on the presentation of his certificate from the State Board of Medical Registration and Examination, and the Clerk shall issue him a new license. (As amended March 3, 1899, Acts 1899, p. 247.)

Sec. 3. It shall be the duty of the Clerk of the county in which an applicant resides to issue to the person presenting such certificate, as hereinbefore provided for, a license under his official seal in the following form:

State of Indiana, County of.....ss.:

I, ... Clerk of the Circuit Court of County, in the State of Indiana, do hereby certify that has complied with the laws of the State of Indiana relating to the practice of medicine, surgery and obstetrics in the county and State aforesaid.

Witness my hand and seal of said court this day of , 189..

.....Clerk.

The County Clerk shall enter of record the name, age, place of birth, address, school or system of medicine to which said applicant belongs, and the person so registering shall subscribe to and verify by oath before such Clerk an affidavit concerning such facts, which, if wilfully false, shall subject the affiant to conviction for perjury. The County Clerk shall furnish annually, on the first day of January, to the State Board of Medical Registration and Examination, upon blanks furnished by said Board, a duplicate list of all certificates received and licenses issued by him during the preceding year, and shall include therein the date of issue of said license, and the name, age and residence of the person receiving the same.

Sec. 4. Within thirty days after this law goes into effect, it shall be the duty of the Governor of the State of Indiana to appoint a State Board of Medical Registration and Examination, composed of five (5) members, who shall serve, two for one year, one for two years, one for three years and one for four years; and their successors for a term of four years each. No school or system of medicine shall have a majority representation on such Board. Said Board shall be nonpartisan, and not more than three shall be members of any one political party. The Governor shall select

members of said Board of Medical Registration and Examination from reputable physicians in this State who are graduates of any college of medicine of good repute: Provided, That no professor or teacher in a medical college shall be appointed as a member of such Board: Provided, further, That each of the four schools or systems of medicine having the largest numerical representation in the State shall have at least one representative on said Board. Should a vacancy occur in said Board by death, resignation, removal or otherwise, then it shall be the duty of the Governor to fill the vacancy from the school or system entitled to representation by virtue of such vacancy. The Governor shall have power to remove any member of said Board for incompetency, gross immorality, for any abuse of his official power, or for other good cause, and may fill any vacancy thus occasioned by appointment. Any person appointed to fill any vacancy on such Board, whether occasioned by death, resignation, removal or otherwise, shall hold for the unexpired term of the member whose place he is appointed to fill.

Sec. 5. It shall be the duty of the members of the State Board of Medical Registration and Examination to meet in the city of Indianapolis within thirty days after their appointment, and organize by the election of a President, Secretary and Treasurer, who shall serve until the second Tuesday in January following, and their successors shall be elected on the second Tuesday in January annually thereafter. The said Board shall hold regular meetings on the second Tuesday in January and July of each year, and as often in addition as may be necessary for the transaction of such business as may properly come before it under the provisions of this act, and shall have power to make all necessary rules and regulations for the transaction of its business.

For their services the members shall receive the sum of six dollars (\$6) per day, and their traveling expenses necessarily incurred in the attendance upon the business of said Board. It shall be the duty of the Secretary of said Board to keep a record of all applications for certificates, and such record shall contain all the facts set forth in such application, including the action of the Board thereon, and shall execute all orders of said Board, and the Secretary shall have for such service the sum of two hundred and fifty dollars (\$250) per annum, to be paid from the funds of said Board,

and said Board may employ a clerk, and fix his salary at not more than five hundred dollars (\$500) per annum.

It shall be the duty of the Treasurer of said Board to pay quarterly all moneys received by the Board to the Treasurer of State, which moneys shall be credited to a separate and permanent fund for medical registration and examination, which is hereby created. All moneys so paid to the Treasurer of State shall remain and be a separate and permanent fund for the maintenance of the said Board of Registration and Examination. The said Board shall, by its President and Secretary, from time to time, certify to the Auditor of State the necessary expenses incurred by the said Board, including salaries and per diem of the members, and the Auditor shall issue his warrant for the same, which shall be paid out of the fund so established for the maintenance of the said Board: Provided, That no order shall be drawn by any State official on any fund other than the above named fund for any salaries of the Board incident to the administration of this act.

The Treasurer and Secretary of said Board shall each give bond in the sum of five thousand dollars (\$5,000), with sureties to be approved by the Governor, which bonds shall be filed with the Auditor of State. The members of the State Board of Medical Registration and Examination are authorized to administer oaths in matters relating to the discharge of their official duties. The State Board of Medical Registration and Examination is charged with the duty of enforcing this act, and it shall be the duty of the Prosecuting Attorney, upon the complaint of the Board, to prosecute any violation of this act.

It shall also be the duty of the grand jury of the proper county to investigate all violations of this act and return indictments therefor in proper cases, and it shall be the duty of the Prosecuting Attorney to prosecute violations of this act by information whenever a proper affidavit is filed by any one, as in other cases of violations of the law; or to prosecute offenders before the Justice of the Peace in proper cases.

The State Board of Medical Registration and Examination shall, from time to time, establish and record, in a record kept by them for that purpose, a schedule of the minimum requirements which must be complied with by applicants for examination for license to practice medicine, surgery and obstetrics, before they shall be entitled to receive such license. The said Board shall also, in like

manner, establish and cause to be recorded in such record a schedule of the minimum requirements and rules for the recognition of medical colleges, so as to keep these requirements up to the average standard of medical education in other States. After the year 1897 no change shall be made in such schedules of requirements in any year after the month of January of each year, nor shall any change be made to have any retroactive effect, or that shall affect students theretofore matriculated. Such record shall be at all times open to examination by the public, and the said schedules of requirements, after they have been established and recorded, and all changes made therein, shall be printed in circular form, and mailed to all medical colleges in the State, and shall also be furnished to any person upon application. Said Board shall not, in the establishment of the aforesaid schedule of requirements, discriminate for or against any school or system of medicine, nor shall it prescribe what system or systems or schools of medicine shall be taught in any of the colleges, universities or other educational institutions of the State.

It shall have power to make and establish all necessary rules and regulations for the reciprocal recognition of certificates issued by other States, and to prevent unjust and arbitrary exclusions by other States of graduates in medicine from this State who have fulfilled its requirements. When an application for a certificate is made, and a diploma submitted, as herein provided, it shall be the duty of the State Board of Medical Registration and Examination to determine, upon the evidence presented, whether such diploma rightfully belongs to and was issued to the person making application for a certificate, and whether the medical college that issued the diploma maintains a standard of medical education conforming to that fixed by the State Board of Medical Registration and Examination, and whether the application otherwise complies with the rules of the Board.

If these facts are shown by competent evidence, it shall be the duty of the State Board of Medical Registration and Examination to issue a certificate, signed by its President and Secretary, and under its official seal, stating that the person applying for such certificate and possessing such diploma is entitled to a license to practice medicine, surgery and obstetrics in the State of Indiana: Provided, Said application shall be filed prior to January 1, 1905: And provided, further, Said applicant shall have, prior to January

1, 1901, matriculated in a reputable medical college in Indiana, maintaining a standard of medical education conforming to that fixed by said Board, and shall have graduated from said college and received his diploma therefrom, prior to January 1, 1905. Except, as last above provided, no certificate shall be issued to any person whomsoever until he shall have satisfied the said Board that he has graduated at a reputable medical college as in this section set forth, maintaining a standard of medical education as above prescribed, and shall have passed before said Board a satisfactory examination as to his qualifications to practice medicine, surgery and obstetrics. Such examination shall be had upon payment of the same fees and upon the same terms and conditions as are provided in Section 1 of said act, approved March 8, 1897, but the applicant shall have the right to designate, in writing, at the time he files his application, the member of the Board who shall conduct his first examination in materia medica, therapeutics, theory and practice of medicine, surgery, obstetrics and gynecology.

The Board at its discretion may authorize the Secretary to issue a temporary permit to an applicant for the interim from date of application until the next regular meeting of the Board. The State Board of Medical Registration and Examination shall have the right to review the evidence upon which a license has been obtained, and if it shall be found that a license has been obtained by fraud or misrepresentation, the Board may revoke such license. The Board [may] refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the use of liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery.

If any person holding a license under the provisions of this act shall be guilty of any of the above enumerated acts or shall have procured a certificate or license by fraud or misrepresentation, said Board may, after notice and hearing, revoke any license which has heretofore been or may hereafter be issued to him, together with the certificate upon which such license has been or may be issued.

A specific written charge, verified by affidavit, must be presented to the Board, making definite and specific charges of such facts against the holder of such license. The Board shall thereupon fix a time and place for the hearing of such charges, at which the person charged may appear and defend against the same. A copy of such charges, together with a notice of the time and place fixed

for the hearing, shall be served upon the person so charged at least twenty (20) days before the time set for the hearing of the same. If, after such hearing, the Board revokes such certificate and license, such order shall be by said Board entered upon its record. A copy of such order of revocation, certified by the Secretary of such Board, shall be by it at once delivered to the Clerk of the Circuit Court of the county in which such license was issued, and such Clerk shall record the same upon the margin of the record of such license. If the Board shall refuse to grant a certificate for any of the reasons above stated, it shall enter such refusal upon its record, together with a statement of the grounds for such refusal. An appeal may be taken from the action of the Board to the Circuit or Superior Court of the county in which such license was issued in case of revocation, and to the county where the applicant lives in case of a refusal of a certificate, upon the licensee or applicant filing with the Clerk of such court, within thirty days from the entering of such order of revocation or refusal by said Board, a good and sufficient bond in the sum of two hundred dollars (\$200), to be approved by said Clerk, to secure the payment of costs of such appeal, should the appeal be determined against him. It shall thereupon be the duty of such Clerk to notify the said Board of the filing of such bond, and said Board shall thereupon forward to said Clerk the charges, together with a copy of the order of revocation, where there has been a revocation, or the application for a certificate and a copy of the order of refusal where there has been a refusal to grant a certificate. The Clerk of said court shall thereupon docket the same as a cause pending in said court. Said verified charges shall be treated as a complaint. The accused may plead to said charges and issues may be formed thereon as in any civil case, and the same shall thereupon be tried by the Judge of the Circuit Court. It shall be the duty of the Prosecuting Attorney of the circuit to which said county belongs to appear in such case and represent the Board. The only finding and judgment in such cases shall be "guilty" or "not guilty," the same to be rendered separately as to each of the charges. If the finding and judgment of the court be "not guilty" as to each of said charges, the same shall be by the Clerk of said court certified to said Board, and it shall thereupon make an order setting aside its order of revocation, and forward to the Clerk of said court a certified copy thereof, which shall be entered upon the margin of the record of said li-

cense. If judgment of "guilty" of any of said charges be awarded in said case, the costs of such proceedings shall be recovered of the accused and a fee of ten dollars (\$10) shall be taxed therein in favor of the Prosecuting Attorney, and the order of revocation made by said Board shall be and remain in effect. During the pendency of such appeal the accused shall not be entitled to practice by virtue of such license. Where the appeal is from a refusal to grant a certificate, the same shall be heard upon the application and certified copy of the order of refusal without any other issues; the same to be tried by the Judge of said court, who shall, upon his finding, enter a judgment that the license shall or shall not be issued as the facts may require, and upon such order the Clerk of such court shall issue the proper license showing therein the authority by which it is issued, and shall report the same to the State Board. The Prosecuting Attorney shall represent the Board in such appeal, and if the court shall refuse the license judgment shall be entered against the applicant for costs, including ten dollars (\$10) fee for the Prosecuting Attorney. Appeals from the judgment of said court may be prosecuted to the Supreme Court as in other civil cases, either by said Board in its own name or by the applicant or holder of such license or certificate, where the judgment may be against him. No fees other than the fees of its own witnesses shall be taxed against said Board in any event. Where the applicant shall appeal from a refusal to grant a certificate, the cause shall be docketed in the name of the applicant against the State Board of Medical Registration and Examination. Where the license or certificate shall have been revoked, the cause shall be entitled The State Board of Medical Registration and Examination against A B (the holder of the license). (As amended March 11, 1901.)

This section has been twice construed by the Supreme Court.

State v. Webster, 150 Ind. 607;

In re. Application of Eliza E. Coffin, 152 Ind. 439.

Sec. 6. All persons practicing midwifery in this State, and who have practiced it for ten years last preceding March 8, 1897, and desiring to continue the same shall on or before July 11, 1899, make application to the State Board of Medical Registration and Examination by submitting an affidavit, fully attested, giving the name, age, residence, the length of time during which, and the place or places at which the applicant has been engaged in such

practice, and the special education, if any, which the applicant has received for such practice. Such application shall be accompanied by the affidavits of two freeholders, duly attested, that the applicant is known to them as the person applying for a certificate to practice midwifery, and that such applicant has been engaged in the active practice of midwifery, giving the location or locations of such practice for the last ten (10) years previous to the passage of this act. Upon such application and the payment of one dollar (\$1) the State Board of Medical Registration and Examination shall issue to the applicant a certificate which shall, when presented to the County Clerk, entitle the holder to a license to practice midwifery in this State. All persons desiring to enter upon the practice of midwifery in this State after this law goes into effect shall present to the State Board of Medical Registration and Examination their diplomas, duly attested, and procured from an obstetrical school of such standing as shall be recognized and determined by the Board. Such applicant shall pay to said Board the sum of five dollars (\$5) at the time of making such application; or such applicant shall submit to an examination in midwifery as the Board shall require, and pay a fee of ten dollars (\$10). Such evidence of qualification being satisfactory to the Board it shall issue a certificate entitling the holder to a license from the Clerk of the county in which the applicant resides, which license shall entitle the holder to practice midwifery in this State. The license thus issued shall conform to all requirements of registration imposed upon physicians' licenses in section two of this act and shall be subject to revocation for the same cause as provided in section five in case of license to physicians. (As amended March 3, 1899, Acts 1899, p. 252.)

Sec. 7. Nothing in this act shall be (so) construed as to discriminate against any school or system of medicine, or to prohibit gratuitous services in cases of emergency, or to the administration of family remedies. This act shall not apply to any commissioned officer of the United States Army, Navy or Marine Hospital service in the discharge of his official duties; nor to any physician or surgeon who is legally qualified to practice in the State or Territory in which he resides, when in actual consultation with a legal practitioner of this State; nor to any physician or surgeon residing on the border of a neighboring State and duly authorized to practice under the laws thereof, whose practice extends into the limits

of this State: Provided, That such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this State. This act shall not be construed to prevent medical students from practicing medicine and surgery under the immediate and direct supervision of a licensed physician for a limited period of two years: Provided, however, That the said student had not practiced medicine, surgery or obstetrics prior to the passage of this act; in the event the amount of time said student has practiced medicine, surgery or obstetrics shall be deducted from the said two years herein mentioned; and in no event shall the said student open an office or offer to engage in the practice of medicine, surgery or obstetrics. Any person violating any of the provisions of this section shall be deemed guilty of a misdemeanor, and on conviction thereof shall subject the offender to a fine of not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200). (As amended March 3, 1899, Acts 1899, p. 253.)

Sec. 8. To open an office for such purpose or to announce to the public in any way, a readiness to practice medicine in any county of the State or to prescribe for, or to give surgical assistance to, or to heal, cure or relieve, or to attempt to heal, cure or relieve those suffering from injury or deformity, or disease of mind or body, or to advertise, or to announce to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body, shall be to engage in the practice of medicine within the meaning of this act: Provided, That nothing in this act shall be construed to apply to or limit in any manner the manufacture or sale of proprietary medicines. It shall also be regarded as practicing medicine within the meaning of this act, if any one shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "Healer," or any other title, word, letter or designation intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches: Provided, That this act shall not be construed to apply to nonitinerant opticians who are at this time engaged in, or who may hereafter engage in the practice of optometry in this State, nor to professional or other nurses. In charging any person in an affidavit, information or indictment with a violation of this law by practicing medicine, surgery or obstetrics without license, it shall be sufficient to charge that he did, upon a certain day and in a certain

county, engage in the practice of medicine, he not having any license to so do, without averring any further or more particular facts concerning the same. (As amended March 11, 1901.)

Sec. 9. Any person who shall practice medicine, surgery or obstetrics in this State without having a license duly issued as hereinbefore provided, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than twenty-five dollars (\$25) nor more than two hundred dollars (\$200).

Sec. 10. All laws and parts of laws in conflict with this act are hereby repealed, and also an act entitled "An act regulating the practice of medicine, surgery and obstetrics, providing for the issuing of license to practice, defining certain misdemeanors and providing penalties," approved April 11, 1885, and all amendments thereto be and the same are hereby repealed.

Additional Section 3. Three thousand (3,000) copies of the annual report of the Board to the Governor shall be printed in the same manner as the report of the State Board of Health; and the printing and stationery of the Board shall be paid out of the printing fund. (Added in 1899 and amended, March 11, 1901.)

Additional Sec. 4. The said Board may grant limited certificates which shall authorize the proper clerk to issue to the holder thereof a license to practice osteopathy only. Such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction. Such license shall not authorize the holder thereof to administer or prescribe or use on one other than himself any drugs or medicines, and any such administration, prescription or use of any drug or medicine by the person holding such limited license shall be practicing medicine without a license, and such person shall be punished therefor as others are punished for practicing medicine without a license: Provided, further, That any person now holding a diploma issued from any college of osteopathy in the United States, and [who] is [now] a resident of the State of Indiana, shall be granted a certificate and license to practice osteopathy upon presenting his diploma to said Board and Clerk and paying the fee required by this act.

This law is constitutional.

State v. Webster, 150 Ind. 607.

The amendments of 1901 are constitutional and valid.

Parks v. State, 159 Ind. 211.

In an appeal from a decision by the Board the State is the appellee and must be represented by the Prosecuting Attorney. The Board is not a party to the appeal.

In re. Application of Coffin, 152 Ind. 439.

In a prosecution under this law, it is sufficient to charge the offense in the language of the statute.

Benham v. State, 116 Ind. 112;

Eastman v. State, 109 Ind., p. 282.

The burden of proving the defendant was duly licensed to practice medicine is on the defendant.

Benham v. State, 116 Ind. 112.

In such prosecutions it is not necessary for the State to deny or prove exceptions made by the statute.

Ferner v. State, 151 Ind., p. 249.

Nor need the affidavit or indictment show that the State Board or any member instituted the prosecution.

Commonwealth v. Tobias, 141 Mass. 129;

Commonwealth v. Murphy, 147 Mass. 577;

Commonwealth v. Gay, 153 Mass. 211;

Commonwealth v. McDonnell, 157 Mass., p. 409;

Portland v. Rolfe, 37 Me., p. 402;

Stuart v. People, 42 Mich., p. 259.

An affidavit in the language of the State is good under the law as amended in 1901.

Parks v. State, 159 Ind. 211.

Magnetic healing is punishable under this law if the healer be unlicensed.

Parks v. State, 159 Ind. 211.

A licensed physician who changes his residence from one county in this State to another must procure a new license from the Clerk of the county to which he has removed, or it will be unlawful for him to practice.

Mayfield v. Nale, 26 Ind. App. 240.

LIST OF COLLEGES NOT RECOGNIZED

BY THE INDIANA STATE BOARD OF MEDICAL REGISTRATION AND
EXAMINATION.

The diplomas of the following named medical and osteopathic colleges are not recognized by this Board, for the reason that said colleges have not complied with the minimum requirements of this Board:

American Eclectic Medical College, Cincinnati, Ohio. *Ex-
tinct.—Rauch.

American Health College, Cincinnati, Ohio. Fraudulent.—
Rauch.

College of Medicine and Surgery, Indianapolis, Indiana. Ex-
tinct.

Curtis Physio-Medical College, Cincinnati, Ohio. Extinct 1874.

Curtis Physio-Medical Institute, Marion, Indiana.

Dutton Medical College, Chicago, Illinois.

Eclectic Medical College, Philadelphia, Pennsylvania (after
1870). Incorporated 1856; fraudulent; extinct 1880.—Rauch.

Hygeia Medical College, Cincinnati, Ohio. I am unable to in-
form you whether it is still in existence. It has never been recog-
nized by the State Board of Medical Registration and Examina-
tion of Ohio, and certificates have never been issued to its gradu-
ates.—Frank Winders, M. D., Secretary Ohio State Board of
Registration.

Illinois Health University, Chicago, Illinois.

Independent Medical College, Chicago, Illinois. An alleged
“diploma mill;” charter revoked February, 1899.

Indiana College of Medicine and Midwifery, Indianapolis, In-
diana. Fraudulent.—Rauch.

Joplin Medical College, Joplin, Missouri. Extinct 1882.—
Rauch.

National School of Osteopathy, Chicago, Illinois.

St. Louis Eclectic Medical College, St. Louis, Missouri.

Wisconsin Eclectic Medical College, Milwaukee, Wisconsin.
Never graduated any class; peddled diplomas three years; sup-
pressed 1898.—J. A. Egan, Secretary Illinois Board of Health,
April, 1899.

*For notes concerning colleges we are indebted to New York Report for 1900.

RULES OF THE BOARD.

The following question to the Attorney-General was submitted:

Question: "Inasmuch as the law defines the practice of medicine to be, 'To open an office for such purpose, or to announce to the public a readiness to practice medicine, surgery and obstetrics in any county in the State, or to prescribe for or to give surgical assistance to those suffering from disease, injury or deformity, should be to engage in the practice of medicine, etc.,' and as the law requires in case of change of residence from one county to another in the same State, that the holder of a license shall obtain a new license in the county where he proposes to reside by filing with the clerk the license obtained by him in the county where he last resided, when the clerk shall issue to him a new license, does it not follow that a legal practitioner can have but one professional residence or home, and that to open an office in a county, or to announce a readiness to practice in a county where he has no license, would be a violation of the law?"

The Attorney-General's answer was as follows:

"I think a licensed physician has a right to practice anywhere in the State. He can have but one residence at which he is required to take out a license, but I see no reason in the law why he could not maintain any number of offices if he feels so disposed. It is not where he maintains his office that he is required to take out his license, but where his residence is, and it might well be that a physician should prefer to live in one county and yet have his office in another."

Rule 6. June 10 the Board ruled that all persons making complaints against applicants before the Board be required to be specific, giving full circumstances, dates, names and addresses of witnesses who can testify to particular allegations, and that affidavits be made to all charges forwarded to this office, or the Board can give the matter no consideration.

June 29, 1897, the Attorney-General furnished to the Board his definition of a "good, moral character," as prescribed by the law, as follows:

State Board of Medical Registration and Examination, State House:

Gentlemen—In answer to your inquiry as to what constitutes a good moral character, in view of the duty imposed upon the Board to refuse a

As to any person guilty of gross immorality, I have to say that to intents and purposes a man's character and reputation are identical, and while one depends upon himself and the other is what others think of him, for all practical purposes his character is the opinion which others have drawn from his actions.

Gross immorality may be defined as any serious breach of moral duty. A man's character is such character as is "in accord with, or controlled by, the rules of right conduct." If acts are charged against an applicant for a certificate, which, in the opinion of the Board, are not in accordance with the commonly accepted rules of right conduct, it is undoubtedly the duty of the Board to refuse a certificate, if it believes that the applicant has been guilty of the acts with which he is charged.

As to the question of what acts constitute gross immorality, it is impossible to give a full and clear definition, and each case must be left to the conscience of the Board.

The Board has prescribed a form of affidavit to be made by two freeholders, as to the character of applicants. This affidavit, when made, is by no means controlling, as, if specific charges are made against any applicant, it is the duty of the Board to investigate them, and, upon investigation, it must refuse license if the charges are sustained, notwithstanding the fact that a false affidavit has been filed.

I have the honor to be

Yours very truly,

W. A. KETCHAM,

Attorney-General.

ORDER OF EXAMINATION.

1. Anatomy.
2. Physiology.
3. Obstetrics.
4. Gynecology.
5. Materia Medica and Therapeutics.
6. Theory and Practice of Medicine.
7. Chemistry.
8. Surgery.
9. Pathology.
10. Bacteriology.
11. Hygiene.
12. Histology.
13. Rhinology.
14. Medical Jurisprudence.
15. Ophthalmology.

It was adopted as a rule of the Board:
If an applicant makes claim that his diploma

has been lost in any way, that such applicant be required to furnish satisfactory evidence of his graduation by procuring and presenting to the Board a certificate from the Secretary of the medical college from which he obtained his degree, certifying to the fact of his graduation, giving date of the same and bearing the seal of the college.

Rule 16. That the Secretary of the County Medical Society of each county in the State having such officer, and some reputable and legally qualified physician in other counties where such officer is not found, be requested to send to this office the name of every person who is now or may hereafter engage in the practice of medicine in his respective county without having procured a certificate of qualification from this Board as provided by law; and that he send therewith a verified charge of such violation, together with the names of one or more persons who have been treated by such illegal practitioners.

Rule 58. Inasmuch as the law contemplates that a residence in this State is essential to eligibility to registration under the medical act of the State to practice medicine, surgery and obstetrics therein,

Resolved, That on and after this date (December 14, 1899) all applicants for registration, under the medical act now in force, not having a legal residence in Indiana, will be required to acquire a residence by sojourning in the State six months after making such application, before such applicant can become eligible to registration: Provided, That such person, being otherwise entitled to registration and having paid the fee of such registration, may be permitted to practice by special permit, until the expiration of the said period of six months.

Rule 60. It will be necessary that specific charges be made in order that this Board may be able to take effective action. Gross immorality, habitual drunkenness, the drug habit, obtaining certificate or license by fraud or misrepresentation, are reasons contemplated in the law necessary to revoke, or refusal to grant license. All persons making complaints against applicants before this Board must be notified that when complaints are filed they must be specific, giving full circumstances, dates, and witnesses that will swear to the same, with the postoffice address of each, and make affidavit to the same, and forward at once to this office, or this Board can give the matter no consideration.

Whereas, The statute regulating the practice of medicine, surgery and obstetrics, as amended, requires an examination of applicants for registration;

Resolved, That on and after the passage of said amendments, such applicant shall deposit examination fee with application, which will entitle him, without further charge, to a temporary permit to practice until the next regular meeting of the Board: Provided, That those whom the law exempts from examination shall deposit the fee required by law for registration of diploma.

Inasmuch as the law regulating the practice of medicine, surgery and obstetrics in Indiana was, in 1901, so amended as to exempt from examination applicants for registration to practice osteopathy, who were, on March 11, 1901, residents of this State and possessed of diplomas from any osteopathic college in the United States; therefore, in order to establish what constitutes such college,

Resolved, That the diplomas of such applicants must have been issued by institutions possessing equipment and a curriculum equal to that fixed by the Associated Colleges of Osteopathy, as set forth by its constitution in 1898.

Whereas, By the amendments of 1901 to the medical act, the State Board of Medical Registration and Examination may grant limited certificates which will authorize the proper clerk to issue a license to practice osteopathy only; and,

Whereas, It is provided by the law that "such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction;" therefore,

Resolved, That all applicants for registration to practice osteopathy in the State of Indiana and the college from which they procured their diplomas must comply with the schedule of minimum requirements in force at the time of application except in so far as pertains to materia medica;

Resolved, That hereafter when an applicant from another State applies for examination before the Board, the same be granted under the same rules and requirements as resident applicants, and should he pass with the required per cent., certificate may be is-

sued by the Secretary when applicant makes his affidavit of residence within this State.

January 9, 1900.

Resolved, That each medical college in the State be requested to furnish the Board, on or before the second Tuesday in July, annually, the following information: The number of students in attendance during the preceding college year, the time covered by the class in matriculation, the per cent. of attendance upon lectures by each student, the number of lectures delivered by each teacher, and the per cent. of attendance by each student upon such lectures, and the number of students who failed to pass the entrance examination.

Applicants for examination must be in attendance at the beginning and continue until the close of the examination. No excuse for nonattendance will be accepted by the Board, except death or serious illness in the immediate family of the applicant, a sworn statement of which must be made to the satisfaction of the Board.

On and after July, 1902, no person taking the second examination and failing to pass will be granted an extension of temporary permit. The applicant may, however, apply for and take a subsequent examination by paying the regular fee.

Resolved, That on and after July 10, 1902, every applicant for examination be required to present for filing with his application a recent photograph of himself, on the reverse of which he shall have written his name. Said signature must have been witnessed by a notary public or other like official, certifying to his identity as the original of the photograph.

Photograph must be unmounted and the following statement should be copied (not pasted) on the back:

I, ..., Notary Public, in and for County of, am personally acquainted with of, this County and State, that this is his photograph and signature, written in my presence, that he is the original of said photograph, and is an applicant for examination before Indiana Board of Medical Registration and Examination.

Resolved, That the State Board of Medical Registration and Examination will consider for indorsement certificates of entrance

qualifications issued to students entering recognized medical colleges of Indiana, if presented to said Board in due form.

Resolved, That each recognized medical college in the State be invited to designate a member of its faculty to meet with the State Board of Medical Registration and Examination at the English Hotel, Indianapolis, on October 21, 1902, at 8 p. m., for the purpose of considering the question of entrance qualifications of students in the medical colleges of the State, the method of determining such qualifications and of the official endorsement of certificates of said qualifications by the State Board.

On motion, Dr. Spurgeon was instructed to notify all medical colleges of the State that the Board would undertake to furnish certificates of qualification to all matriculants desiring same, provided that students shall appear before the authorized examiner of the Board, and at such time and place as said examiner may indicate, and make passing grade in such branches as will hereafter be agreed upon. Fee for examination and certificate shall be two dollars (\$2).

Resolved, That graduates of osteopathic colleges in good standing, who matriculated therein prior to March 11, 1901, and who have, in all other respects, complied with the requirements of this Board for registration, be and are eligible to examination as to qualification for registration: Provided, That on and after said date, a certificate of qualification to practice osteopathy will be issued to an applicant therefor on the same terms and conditions as others, except that he shall not be required to pass the examination in materia medica, nor shall the college from which he presents a diploma be required to have conformed to the standard fixed by this Board as to instructions in materia medica, but such college shall have so conformed in all other branches of instruction.

September 24, 1901.

Dr. W. F. Curryer, Secretary State Board of Medical Registration and Examination:

Dear Sir—You ask if an applicant has paid the twenty-five dollars required by law for an examination prior to the examination and then declines to be examined, if he is entitled to have the fees paid in advance refunded.

I find no provision in the law authorizing a refunder of any fees paid by an applicant for examination, and I am of opinion that after

the fee for an examination has been paid it belongs to the State, and can not be repaid by the Board.

I have the honor to be

Very truly yours,

W. L. TAYLOR,
Attorney-General.

February 23, 1903.

Hon. W. T. Gott, Secretary State Board of Medical Registration and Examination:

Dear Sir—Replying to your inquiry of the 23d: Under the provisions of the act of the General Assembly of 1899 an applicant for a certificate to practice medicine and surgery in this State, who desires to secure the same upon a diploma, shall pay to the Board the sum of ten dollars at the time of making such application. If he desires to be examined by your Board, he pays, at the time of his application, the sum of twenty-five dollars.

It is further provided that the payment of said sum of twenty-five dollars shall entitle him to a re-examination in case of failure at the first or any subsequent examination.

These are all the fees that are provided for to be paid to your Board by applicants for certificates. It is further provided by Section 2 of said act, that it is the duty of the treasurer of said Board to pay quarterly all moneys received by the Board to the Treasurer of State. There is no provision in the law for the return of either of these application fees.

Therefore, when a person makes application and pays the ten or twenty-five dollar fee, as the case may be, into the treasury of your Board, it becomes the property of the State, and should be turned into the State treasury. You have no authority to divert it from the channel prescribed by the statute, and you have no authority to return any portion of either of said fees after it has been so received.

You have no discretion over this fund, but must turn it into the State treasury, as prescribed by law, and you can not draw it out, except for the purposes prescribed in the statute.

I have the honor to be

Very truly yours,

CHARLES W. MILLER,
Attorney-General.

MINIMUM REQUIREMENTS FOR MEDICAL COLLEGES TO BE ACCOUNTED IN GOOD STANDING.

**BY THE INDIANA STATE BOARD OF MEDICAL REGISTRATION AND
EXAMINATION AFTER FEBRUARY, 1903.**

No medical college will be in good standing with the Indiana State Board of Medical Registration and Examination after February, 1903, that does not thereafter require of each applicant as a condition of admission to the college, the following:

First. A certificate of good moral character, signed by two reputable citizens of the State of which he was last a resident.

Second. Documentary evidence of preliminary education, the minimum being a diploma or certificate of graduation from a commissioned high school, scientific or literary college or university, the curriculum of which embraces at least the following:

1. English grammar.
2. Rhetoric and composition.
3. History of the United States as presented in Montgomery's History of the United States, or equivalent text.
4. General history as presented in Myers' General History, or equivalent text, or Greek and Roman history, or English history, in lieu thereof.
5. Algebra, including fundamental rules, fractions, simple equations, involution and evolution and quadratic equations as given in Milne's High School Algebra, or equivalent text.
6. Plane geometry as given in Wentworth's New Plane and Solid Geometry, or equivalent text.
7. Physics as presented in Gage's Elements of Physics, or equivalent text.
8. General biology or botany and zoology as presented in Sedgwick and Wilson's General Biology, or equivalent text.
9. Chemistry as presented in Shepard's Elements of Chemistry, or equivalent text.
10. Latin, including Latin grammar, prose composition and

the translation of four books of Caesar's Gallic War, or the equivalent, or

Third. A certificate from a State Medical Examining Board of having passed a satisfactory examination with an average grade of not less than seventy-five per cent. in each of the several branches named above.

The above mentioned evidence of preliminary education will be required of all applicants of the Indiana State Board of Medical Registration and Examination before taking the examination of the Board: Provided such applicant did not matriculate prior to February, 1903.

Graduates of medical colleges recognized by this Board at the time of their graduation may be admitted to any recognized medical college without examination or documentary evidence of preliminary education.

ADVANCED STANDING.

Graduates of a regularly established and recognized university or College of Arts or Science, or College of Dentistry, that requires at least three years' attendance as an essential to graduation, may be admitted to the sophomore year of a four-year medical course: Provided such applicant has complied with the entrance requirements of this Board as herein mentioned; but such student must complete all the work of the freshman year before he can be advanced to the junior year.

A student in any medical college recognized by the Indiana State Board of Medical Registration and Examination, who has complied with the entrance requirements of this Board, and possesses a certificate of attendance and completion of any college year, may enter without re-examination the college year immediately following that previously completed, in any recognized medical college.

REQUIREMENTS FOR MEDICAL COLLEGES.

After February, 1903, only such medical colleges shall be considered in good standing by the Indiana State Board of Medical Registration and Examination as have:

1. Complied with the requirements of this Board heretofore in force.

2. And that possess a full and complete faculty for teaching medicine, surgery and obstetrics in all their branches.

3. And that afford their students adequate clinical and hospital facilities.

4. And that embrace in their curriculum anatomy, physiology, chemistry, materia medica, therapeutics, medicine, surgery, obstetrics, gynecology, histology, pathology, dermatology, bacteriology, ophthalmology, otology, laryngology, rhinology, physical diagnosis, hygiene and medical jurisprudence.

5. And that require attendance upon at least eighty per cent. of each course of instruction.

6. And that give four graded courses of instruction, the aggregate of which amounts to at least 104 weeks of at least 36 hours each; and at least 42 months must have elapsed between the student's first course of medical lectures and the date of his graduation.

7. And that require an average grade in each course of instruction of at least seventy-five per cent. in examinations as a condition of graduation.

8. And that fulfill all their published promises, requirements and claims respecting advantages to their students and courses of instruction.

In determining the reputability of a medical college, while reserving the right to investigate and make a personal inspection of the same, this Board will be governed by the report of the Board of Medical Registration in the State in which such college is situated: Provided the said Board will reciprocate such action.

All rules and regulations governing medical colleges which have been heretofore adopted by the Indiana State Board of Medical Registration and Examination in conflict with the foregoing rules and regulations will stand repealed after February, 1903.

PRELIMINARY EXAMINATION.

Under the first section of the Minimum Requirements above given for Medical Colleges the Board held three examinations for students during the first term of the college year of 1903-4, when forty-nine candidates were examined. Sample list of questions will be found below.

ALGEBRA.

1. What is the difference between addition in Arithmetic and in Algebra? What is a polynomial? a term? an algebraic expression?
2. Simplify the expression $2a - [a - \{b - (3b - 2a - b)\}] - b - a$.
3. $(x^3 - 4x^2 + 11x - 24)(x^2 + 4x + 5) = ?$
4. Divide $a^4 - 4a^3x + 6a^2x^2 - 4ax^3 + x^4$ by $a^2 - 2ax + x^2$.
5. Factor $a^4 - 1$; $a^2 - 2ax + x^2$; $4a^2 + 12ab + 9b^2$; $x^2 - 2x - 15$; $9b^2 - (a - x)^2$.
6. Simplify $\frac{a}{a-2} - \frac{a-2}{a+2} + \frac{3}{4-a^2}$.
7. Find the value of x and y in the equation :
(1.) $\frac{1}{x-1} - \frac{3}{x+y} = 0$; (2.) $\frac{3}{x-y} + 3 = 0$.
8. Find the square root of $\frac{a^4}{4} + a^3x + \frac{4a^2x^2}{3} + \frac{2ax^3}{3} + \frac{x^4}{9}$.
9. A rectangular lot is 8 rods longer than it is wide. What are its dimensions if it contains $1\frac{1}{2}$ acres?
10. Find two numbers such that their product is 8 greater than twice their sum and 48 less than the sum of their squares.

ARITHMETIC.

1. Divide 225625 hundred-millionths by 25 ten-thousandths and extract the square root of the quotient.
2. A carriage wheel revolves 3 times in going 11 yards; how many times will it revolve in going $\frac{3}{4}$ of a mile?
3. How much will it cost to plaster a room 25 feet long, 20 feet wide, and 12 feet high, at 9 cents per square yard, no allowance being made for windows, etc.?
4. How much will it cost for one-inch boards to fence an acre lot 8 rods wide, the boards being 6 inches wide and the fence 4 boards high, the price of lumber being 20 dollars per M?
5. By selling potatoes at $62\frac{1}{2}$ cents a bushel, 10 per cent. was lost; at what price per bushel should they be sold to gain 25 per cent?
6. What is a certificate of stock?
Write a receipt for full settlement of account.
7. Define legal interest, bankers' interest, discount, annual interest, commercial paper.
8. Sold a horse, carriage and harness for \$545, and took the purchaser's note at 90 days, so as to cover the discount at 6 per cent. What was the face of the note?

BIOLOGY.

1. Name the parts of a seed. What conditions are necessary for the germination of a seed?
2. What are the functions of the stem?
3. What is the work of the leaves? Of the roots?

4. How do flowers attract insects? Why?
5. Name the parts of a flower and give use of each part.
6. Describe the respiration of a bird. Of a fish.
7. Give the life history of a frog.
8. Explain what is meant by "protective coloring."
9. How can you distinguish a plant from an animal?
10. How are the following animals especially adapted for the life they lead: Bird, frog, butterfly, fish, mussel?

CHEMISTRY.

(Answer any eight.)

1. How can oxygen be prepared from potassium chlorate? Write equation.
2. What are the products of the complete combustion of wood?
3. a. What changes in the composition of air take place during respiration?
b. Is the blood purified by a physical or chemical process?
4. How can mercurous chloride and mercuric chloride be distinguished from one another?
5. Chemically considered, is nitrogen an active element? Phosphorus?
6. What is the composition of ammonia? How can it be prepared from ammonium chloride?
7. What reaction takes place when zinc is treated with dilute sulphuric acid? Write equation.
8. Define acid, base, salt.
9. Name the elements of the group to which chlorine belongs.
10. Sodium chloride and zinc chloride are both salts of HCl. Why is one Na Cl and the other Zn Cl₂?
11. What is fermentation?
12. What part of a man's body contains the greatest proportion of calcium and phosphorus? What elements constitute the greater part of the body?

ENGLISH.

1. Define the following terms: phrase, clause, sentence, paragraph.
2. "If all the misfortunes of mankind were cast into a public stock, in order to be equally distributed among the whole species, those who now think themselves the most unhappy would prefer the share they are already possessed of, before that which would fall to them by such a division."
Mention all the phrases in this selection and tell what each modifies.
3. Name and classify the clauses in the same selection.
4. Write sentences containing the past tense of the following verbs: see, lie, go.
5. What is meant by the expression, "good English?"
6. Define the following rhetorical terms: diction; style; unity; barbarism.

7. Rewrite the following sentences correctly:
 - a. This is a persuasion built upon liberty, and not only favorable to it.
 - b. The first day at school was all new to me. While it was interesting as well.
8. Name three classes of pronouns, naming two of each class.
9. Supply the blanks in the following sentences with correct forms:
 - a. He reads his speeches.....a curate reads the lessons.
 - b. I learned that not a line of the lectures.....written.
 - c. Between you and.....I cannot understand it.
 - d. either of you a copy of this morning's paper?
10. Write a letter applying for a position of some kind.

HISTORY.

1. What was the great defect in Grecian civilization.
2. Write a paragraph concerning the fall of Rome, stating the time and the causes.
3. For what are the following names to be remembered: Solon? Lycurgus? Julius Caesar? Constantine? Charlemagne?
4. Give a brief account of the Feudal System.
5. What does England owe to Alfred the Great?
6. For what are the following dates memorable: 1492? 1607? 1620? 1776? 1861?
7. Name five great inventions since 1783 and show how any one has influenced the political development of America.
8. What island possessions have come under the control of the United States within the past six years?
9. What questions were settled by the Civil War?
10. What is meant by Civil Service Reform? By Arbitration?

LATIN.

1. Decline *servus, homo, res*.
2. Write the *perfect indicative* of *amo* in the active and in the passive voice.
3. Translate into English:
 1. *Prima luce partem hostium in monte vidimus.*
 2. *Inter hunc montem et illam planitiem erat flumen quod centum pedes erat latum.*
4. Give reason for the case of italicized words in the above sentences.
5. Give rule for the agreement of adjectives; of relative pronouns.
6. Translate into English:

Brevi autem tempore hostes ita superati sunt ut ex omnibus pugnae partibus trans flumen fugerent.
7. Decline *tempore*. Give reason for the mode of *fugerent*.
8. Write the prin. parts of *cipio, gero, proficiscor, rego, scribo*.
9. *Cum ex captivis quaereret Caesar quam ob rem Ariovistus non decertaret proelio, hanc reperiēbat causam: non esse fas Germanos superare, si ante novam lunam proelio contendissent.* Translate.
10. Account for the mode of italicized verbs.

PHYSICS.

1. Give examples of stable, unstable and neutral equilibrium.
2. Illustrate the difference between cohesion, or adhesion, and chemical attraction.
3. What is meant by the mechanical equivalent of heat?
4. How far would a body fall in 3 seconds in a vacuum? What would be the velocity at the end of the third second?
5. Define energy, and illustrate the difference between kinetic and potential energy.
6. Describe the action of the common air pump.
7. What is specific gravity? How do you find the specific gravity of a solid?
8. Upon what does the color of a body depend? What are complementary colors?
9. What is meant by refraction in light? Illustrate.
10. What is a focus? What are conjugate foci? What is the velocity of light?

GEOMETRY.

1. Define straight angle, obtuse angle, similar figures, equivalent figures.
2. Demonstrate—If two parallel lines are cut by a transversal, the alternate-interior angles are equal.
3. If the vertical angle of an isosceles triangle is equal to 30 degrees, find the exterior angle included by a side and the base produced.
4. Demonstrate—The sum of the angles of a triangle is equal to two right angles.
5. If the diagonals of a quadrilateral are equal and bisect each other, what kind of figure is the quadrilateral?
From a figure representing a parallelogram and its diagonals, select four pairs of equal triangles.
6. Define circumference, sector, tangent, secant, inscribed circle.
7. Demonstrate—In the same circle, or in equal circles, equal chords are equally distant from the center.
8. Problem. To construct a triangle when a side and two adjacent angles are given.
9. Find the area of an equilateral triangle if one side = a .
10. The area of a circle is 78.54 inches. Find the circumference.

HOW TO OBTAIN A LICENSE TO PRACTICE MEDICINE IN INDIANA.

All applicants must be bona fide residents of the county and State before certificates can be issued.

Every applicant must procure the necessary blank from his County Clerk or from the Secretary of the Board, fill it out carefully and make affidavit to the same before some officer authorized to administer oaths, also have two freeholders, residents of the same county in which applicant resides, make affidavit as to the moral character and to the personal identity of the applicant as the person mentioned in the diploma. The application blank, when properly filled, together with diploma and proper fee, must be sent by express or registered mail to the State Board of Medical Registration and Examination, Room 120, State House, Indianapolis, Indiana.

The only applicants exempt from examination are graduates of reputable medical colleges located in Indiana, who matriculated therein prior to January 1, 1901, and graduate therefrom and make application for registration prior to January 1, 1905. Fee, \$10.

After January 1, 1905, an examination will be required of all candidates. The subjects for examination are anatomy, physiology, obstetrics, gynecology, materia medica and therapeutics, theory and practice of medicine, chemistry, surgery, pathology, bacteriology, hygiene, histology, rhinology, medical jurisprudence, ophthalmology, otology, laryngology and dermatology.

The examination begins the second Tuesday in January and July of each year, at 8 a. m., and continues three days. Only graduates of reputable medical colleges are admitted to the examination.

Applications for examination, accompanied by diploma and fee, \$25, should be on file in this office at least five days prior to the date for examination.

Temporary permits to practice medicine, surgery and obstetrics until one month after the next regular meeting of the Board are issued on request, when the application is complete and satisfactory, diploma recognized and fee paid in full. No permits are granted during the month preceding the examination.

Upon receipt of the certificate by the applicant, he shall, upon the presentation of the same to the Clerk of the county in which he resides, receive a license to practice medicine, surgery and obstetrics, within the State of Indiana. The recipient of such license shall pay to the County Clerk fifty cents as his fee for issuing and recording the same. This license entitles the holder to practice in any county in the State so long as he maintains his residence in the county in which the license was issued.

In case of change of residence from one county to another within this State, the holder of a physician's license shall obtain a new license in the county where he proposes to reside by filing with the County Clerk the license obtained by him in the county in which he last resided, and the Clerk shall issue to him a new license.

No person is qualified to practice medicine, surgery or obstetrics within the State of Indiana who has not first procured a license or temporary permit to do so under the acts of 1897, 1899 or 1901.

Those who desire to apply for license to practice obstetrics must follow the same directions as above, but the fee is ten dollars for examination.

The regular sessions of the Board are held the second Tuesday in January and July of each year.

Fee for examination, \$25.

All fees must be sent by registered mail, express, postal note or draft. Individual checks are not accepted by the Board.

Former sets of examination questions are not sent out.

DUTIES OF COUNTY CLERKS.

Upon the receipt of the certificate by the applicant from the State Board of Medical Registration and Examination, the applicant shall, upon the presentation thereof to the Clerk of the county in which he resides, receive from the County Clerk a license to practice medicine, surgery and obstetrics within the State of Indiana. The person receiving such license shall pay to the County Clerk fifty cents (\$0.50) as his fee for issuing and recording such license as hereinafter provided. In case of change of residence from one county to another within this State, the holder of a physician's license shall obtain a new license in the county where he proposes to reside, by filing with the County Clerk the license obtained by him in the county in which he last resided, in the same manner as provided for on the presentation of his certificate from the State Board of Medical Registration and Examination, and the Clerk shall issue him a new license. (As amended March 3, 1899, Acts 1899, p. 247.)

Sec. 3. It shall be the duty of the Clerk of the county in which an applicant resides to issue to the person presenting such certificate, as hereinbefore provided for, a license under his official seal in the following form:

State of Indiana, County of.....ss.:

I, ..., Clerk of the Circuit Court of.....County, in the State of Indiana, do hereby certify that.....has complied with the laws of the State of Indiana relating to the practice of medicine, surgery and obstetrics in the county and State aforesaid.

Witness my hand and seal of said Court this day of....., 189....

.....Clerk.

The County Clerk shall enter of record the name, age, place of birth, address, school or system of medicine to which said applicant belongs, and the person so registering shall subscribe to and verify by oath before such Clerk an affidavit concerning such facts, which, if wilfully false, shall subject the affiant to conviction for perjury. The County Clerk shall furnish annually, on the first day of January, to the State Board of Medical Registration and Examination, upon blanks furnished by said Board, a duplicate list of all certificates received and licenses issued by him during the preceding year, and shall include therein the date of issue of said license, and the name, age and residence of the person receiving the same.

It will be observed by the above that the law makes it the duty of the Clerk of each county in the State to make a report to the State Board of Medical Registration and Examination, on the "first day of January" of each year. This report must be made upon blanks which are furnished by the Board to all County Clerks of the State a few days before report is due. County Clerks who do not comply promptly according to law must not feel aggrieved if the attention of the Attorney-General is called to their negligence. The work of the State Board is very much embarrassed if reports are not made promptly. County Clerks will please note that any certificate not signed by the Secretary and President of the State Board of Medical Registration and Examination is void, and license to practice medicine must not be issued thereon. Duplicate licenses must not be issued except by consent of the State Board.

FINANCIAL REPORT.

RECEIPTS FOR 1903—JANUARY 1 TO DECEMBER 31.

Fees from applications upon diploma.....	\$1,160 00
Fees from applications upon examination.....	4,025 00
Fees from embellished certificates	2 00
Fees from applications in osteopathy.....	40 00
Fees for translation.....	5 00
Fees from applications in reciprocity.....	525 00
Fees from applications for preliminary examination.....	106 00
Fees additional to complete applications.....	212 00
Total receipts	<u>\$6,075 00</u>

PAYMENTS MADE TO TREASURER DURING 1903.

January 31	\$295 00
February 28	65 00
March 31	131 00
April 30	1,261 00
May 30	340 00
June 30	676 00
August 3	1,580 00
September 1	275 00
September 30	205 00
November 2	351 00
November 30	310 00
December 31	276 00
Total	<u>\$5,765 00</u>
Fees refunded	310 00
Total amount	<u>\$6,075 00</u>

EXPENDITURES, 1903.

J. C. Webster, per diem.....	\$530 00
J. C. Webster, railroad.....	87 70
J. C. Webster, hotel.....	53 33
J. C. Webster, incidentals.....	14 25
M. S. Canfield, per diem.....	600 00
M. S. Canfield, railroad.....	90 00
M. S. Canfield, hotel.....	44 50
M. S. Canfield, incidentals.....	53 48

Expenditures 1903—Continued.

W. T. Gott, per diem.....	\$588 00
W. T. Gott, railroad.....	76 85
W. T. Gott, hotel.....	63 78
W. T. Gott, incidentals.....	32 60
W. T. Gott, salary.....	250 00
J. M. Dinnen, per diem.....	564 00
J. M. Dinnen, railroad.....	152 90
J. M. Dinnen, hotel.....	53 25
J. M. Dinnen, incidentals.....	121 00
W. A. Spurgeon, per diem.....	840 00
W. A. Spurgeon, railroad.....	119 47
W. A. Spurgeon, hotel.....	88 80
W. A. Spurgeon, incidentals.....	89 50
Salary of Clerk of the Board.....	500 00
Telegrams	2 95
Telephones	74 65
Express	52 03
Postage	138 75
W. B. Burford.....	10 50
Clerical assistance	9 45
H. D. Tutewiler, tables for use in examination.....	12 15
Gavin & Davis, attorneys, salary and expenses.....	354 10
Typewriter repairs	25
G. J. Mayer, rubber stamp.....	1 00
C. G. Winter, translation.....	5 00
Daily Echo, printing.....	10 00
George W. Hufford, preliminary examiner.....	49 58
George Currens, wrapping express packages.....	3 00
Fees refunded to applicants.....	310 00
Total expenses	\$6,046 82
Balance	\$28 18

EXAMINATION QUESTIONS.

The following lists of questions were submitted in the examinations of 1903:

ANATOMY.

(Answer any ten.)

1. Describe the spinal column.
2. Describe the trachea, and give its relation to surrounding structures.
3. Give the origin, course and distribution of the chorda tympani nerve.
4. Give the origin, course and distribution of the lesser sciatic nerve.
5. Give the relation of the blood vessels and nerves in the popliteal space.
6. Give the nerve supply to the flexors of the forearm.
7. Describe the spinal cord.
8. Describe the scapula.
9. Name the afferent and efferent blood vessels of the (a) kidney, (b) liver, (c) stomach.
10. Name the extrinsic and intrinsic muscles of the tongue.
11. How and what point does the spinal cord terminate?
12. Give the names of the cranial nerves and their points of origin.
13. Give the origin and distribution of the fifth cranial nerve.

—Submitted by W. A. Spurgeon, M. D., January.

PHYSIOLOGY.

(Answer any ten.)

1. Define muscular sense, and of what value is it in the economy?
2. What results from the loss of function of one pneumogastric nerve?
3. Give the normal pulse rate in the adult, and the circumstances which cause the rate to vary in health.
4. Discuss the blood pressure, its causes, physiologic effect and variation.
5. What is (a) a neuron, (b) an axon?
6. Explain the cause of the knee jerk.
7. Name the various kinds of leucocytes.
8. What are the functions of the pancreas?
9. Give the media through which light passes through the eye, and give the functions of each.
10. Discuss the composition and food value of the following: (a) milk, (b) cheese, (c) eggs.
11. Name the principal nitrogenous foods.
12. Mention the chief sources of the following inorganic foods: (a) sodium chloride, (b) potassium salts, (c) calcium salts.

—Submitted by W. A. Spurgeon, M. D., January.

OBSTETRICS.

1. Give probable cause and treatment of mammitis.
2. (a) State causes and treatment of afterpains. (b) Do they occur oftener in primipara or multipara?
3. About what period do the first active muscular movements of the foetus occur?
4. Give diagnosis and treatment of amphisitis of the newly born.
5. If from any cause, sudden death of the parturient should occur before delivery of child, would you complete the delivery?
6. State principal causes of puerperal infection.
7. Give causes and treatment of icterus neonatorum.
8. Give causes and treatment of ectopic pregnancy.
9. Give diagnosis and management of placenta previa.
10. Is abortion ever justifiable? If so, when?

—Submitted by W. T. Gott, M. D., January.

GYNECOLOGY.

1. What is puberty? The menopause?
2. Define metritis and give treatment.
3. How differentiate normal gestation from an ovarian cyst?
4. Define myoma. Differentiate uterine myoma from ovarian cyst.
5. What is tubal pregnancy?
6. By what method would you treat a complete laceration of the perineum?
7. Give principal cause of laceration of the cervix uteri.
8. What is trachelorrhaphy?
9. What is amenorrhoea?
10. What is menorrhagia? Give treatment.

—Submitted by M. S. Canfield, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Regular.)

1. What is the physiologic action of strophanthus?
2. In what condition of the circulation is digitalis indicated?
3. In what condition of the circulation is nitroglycerine indicated?
4. Give the derivation of strychnine, its physiologic action, and its therapy.
5. Give the derivation of heroin, and medicinal dose of same.
6. What is the physiologic action of ergot?
7. What is the composition of normal salt solution, and its physiologic action?
8. Give technic of introducing normal salt solution into the blood, directly and indirectly.
9. Give technic of applying cold water for the reduction of hyperpyrexia.
10. What is the therapeutic action of suprarenal gland?

—Submitted by J. C. Webster, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Regular.)

1. Name some remote pathologic results of syphilis, and give treatment.
2. Give symptoms of cerebral hemorrhage.
3. Name some of the causes of cerebral softening.
4. What pathologic conditions may cause angina pectoris?
5. Describe method of physical examination of chest.
6. Give treatment of hamoptysis.
7. Describe the vesicular murmur heard in auscultation of the normal lung, and state the significance of its absence.
8. Define cyanosis, and state the significance of its presence in pulmonary disease.
9. Give symptoms of appendicitis.
10. Differentiate appendicitis from disease of the ovary.

—Submitted by J. C. Webster, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Eclectic.)

1. Gelsemium. General therapy and dose. Specific indications.
Give specific indications for each of the following remedies and state in what diseases they would likely be used:
2. Echafolta.
3. Rhus Tox.
4. Belladonna.
5. Veratrum Vir.
6. Aconite Nap.
7. Nux Vom.
8. Apocynum Can.
9. Staphysagria.
10. Pulsatilla.

—Submitted by M. S. Canfield, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Eclectic.)

1. Give diagnosis and treatment of typhoid fever.
2. Give diagnosis and treatment of diphtheria.
3. Give diagnosis and treatment of erysipelas.
4. How would you treat a case of mucous croup?
5. Define dysentery and give treatment.
6. Define jaundice and give treatment.
7. Differentiate diabetes insipidus from diabetes mellitus.
8. Define epilepsy and give treatment.
9. Diagnose and give treatment for acute cystitis.
10. What is your idea of constipation? How would you treat it?

—Submitted by M. S. Canfield, M. D., January.

MATERIA MEDICA AND THERAPEUTICS.

(Homeopathic.)

1. Give the therapeutic individuality of kali carbonicum.
2. State the symptoms that indicate the use of kali chloricum.
3. State the therapeutic use of chloroform.
4. Give the therapeutic individuality of cinchona.
5. When would you employ gelseminum?
6. Give indications for the use of glonoine.
7. Define graphite and give its principal sphere of action.
8. Give the indications for the use of hepar sulphuris calcareum?
9. Give the habitat and therapeutic uses of hydrastis canadensis.
10. When is ferrum indicated?

—Submitted by W. T. Gott, M. D., January.

THEORY AND PRACTICE OF MEDICINE.

(Homeopathic.)

1. Define pain.
2. What is inflammation?
3. Define dropsy and state two common causes.
4. Name three or more varieties of rheumatism. Give treatment for acute rheumatic fever.
5. Give the differential diagnosis of neuralgia.
6. Define (a) contagion, (b) infection, and give examples of each.
7. State prognosis and treatment of syphilis.
8. Give the diagnostic symptoms and treatment of diphtheria.
9. State cause and give treatment of tubercular meningitis.
10. Define chlorosis. Give synonym.

—Submitted by W. T. Gott, M. D., January.

CHEMISTRY.

1. What are carbohydrates?
2. What is double decomposition?
3. How would you test for albumen in urine?
4. What is the sp. gravity of healthy urine?
5. Name the bile salts.
6. Define the term ptomaine.
7. Describe the chemistry of respiration.
8. How is calomel prepared?
9. Give the test for sugar in the urine and the common sources of error in the copper tests.
10. Give the antidote for morphine poison.

—Submitted by J. M. Dinnen, M. D., January.

SURGERY.

1. What conditions render amputation of a limb necessary?
2. How many kinds of fractures are there?
3. What are the signs and symptoms of gall stones?
4. Describe a compound fracture.

5. Give diagnosis and treatment of a Colles' fracture.
6. Give diagnosis and treatment of appendicitis.
7. What are the symptoms of dislocation of the hip joint?
8. What is a strangulated hernia?
9. Give the symptoms and treatment of a depressed fracture of the skull.
10. Give differential diagnosis and treatment of tumors of the breast.

—Submitted by J. M. Dinnen, M. D., January.

PATHOLOGY.

(Answer any five.)

1. Describe the various kinds of casts found in the urine.
2. What are the pathognomonic characteristics of a malignant neoplasm which distinguish it from a benign neoplasm?
3. Give the macroscopic and microscopic appearance of a syphilitic gumma.
4. Give the pathology of pulmonary emphysema.
5. Define (a) atelectasis, (b) caries, (c) necrosis.
6. Name the various kinds of degeneration.
7. What is the pathological condition of the blood in chlorosis, pernicious anemia and lymphatic leukemia?
8. Give the gross and microscopic characteristics of tubercular lymph gland.
9. Describe in contrast (a) malignant pustule, (b) carbuncle, (c) furuncle.
10. Give the structure and nature of scar tissue and its relation to pathology.

—Submitted by W. A. Spurgeon, M. D., January.

BACTERIOLOGY.

(Answer any five.)

1. How would you stain the diphtheria bacillus?
2. How would you determine the presence of the spirillum of relapsing fever?
3. What is the value of Gram's method of staining bacteria?
4. How would you stain the gonococcus?
5. Name the various forms of culture media used in the laboratory.
6. How would you prepare blood serum for culture media?
7. Give the morphology of the diphtheria bacillus.
8. Describe the malaria parasite.
9. Define immunity.
10. Describe the anthrax bacillus.

—Submitted by W. A. Spurgeon, M. D., January.

HYGIENE.

Answer briefly and concisely in writing the following questions:

1. Define hygiene.
2. Describe hygienic food and drink.

3. Describe the proper hygiene of the sick-room.
 4. Describe proper personal hygiene.
 5. Name two of the most potent natural hygienic forces.
- Submitted by J. C. Webster, M. D., January.

HISTOLOGY.

Answer briefly and concisely in writing the following questions:

1. Define histology.
 2. Describe the histology of a primary cell.
 3. Give the histology of bone.
 4. Give the histology of muscle.
 5. Give the histology of mucous membrane.
- Submitted by J. C. Webster, M. D., January.

RHINOLOGY.

1. What is rhinitis?
 2. How would you proceed to check hemorrhage from the nose?
 3. What constitutional diseases may present local manifestations in the nose?
 4. Give treatment of nasal polypi.
 5. Give the treatment of rhinitis.
- Submitted by J. M. Dinnen, M. D., January.

MEDICAL JURISPRUDENCE.

1. Give the signs of death by morphine.
 2. Give technic of autopsy.
 3. Give the different conditions present in drowned body and one placed in water after death.
 4. Define illusion.
 5. Define hallucination.
- Submitted by J. M. Dinnen, M. D., January.

OPHTHALMOLOGY.

(Answer any five.)

1. Give diagnosis and treatment for iritis.
 2. What is a mydriatic? What is a myotic?
 3. Define the terms entropion and ectropion.
 4. Give diagnosis and treatment for suppurative keratitis.
 5. Differentiate between follicular conjunctivitis and trachoma.
 6. Define amaurosis. Define myopia.
 7. Define hyperopia.
 8. Define Basedow's disease.
 9. What disease of the eyes is frequently associated with Bright's disease?
 10. Give a formula for a collyrium.
- Submitted by M. S. Canfield, M. D., January.

OTOLOGY.

(Answer any five.)

1. How would you test hearing?
2. Give diagnosis and treatment of salpingitis.
3. Give diagnosis and treatment of mastoiditis.
4. Give diagnosis and treatment of furunculosis.
5. Give diagnosis and treatment of myringitis.
6. Give treatment of lupus of external ear.
7. What are the anatomical divisions of the ear?
8. Give treatment for aural polypi.
9. What instruments or appliances are necessary for examining the ear?
10. In what way could facial paralysis be due to disease of the ear?

—Submitted by M. S. Canfield, M. D., January.

LARYNGOLOGY.

1. Give diagnosis and treatment of stenosis of larynx.
2. Describe clergyman's sore throat.
3. Give symptoms of laryngitis phthisica.
4. Give the probable cause of hypertrophy of the tonsil.
5. Describe the fauces.

—Submitted by W. T. Gott, M. D., January.

DERMATOLOGY.

1. Define pruritis. Name the varieties, and give treatment.
2. What is dermatalgia? Give symptoms.
3. Give the definition of angioma, and name two synonyms.
4. Give a synonym and definition of lepra.
5. Name three varieties of alopecia.

—Submitted by W. T. Gott, M. D., January.

ANATOMY.

1. Describe the palmar fascia.
2. Give the origin, course and distribution of the internal iliac artery.
3. Give the names of the muscles of the palmar region.
4. Describe an artery.
5. Give the relation of the ureters to the pelvic organs in the female.
6. What abdominal viscera has ligamentous attachment to the diaphragm, and give the names and location of the ligaments?
7. Give the names and a description of the lobes of the lungs.
8. Describe the ligaments of the uterus.
9. At what situation can the subclavian artery be compressed from the surface? Give the anatomical relations that make this possible.
10. Name the muscles of the larynx.

—Submitted by W. A. Spurgeon, M. D., July.

PHYSIOLOGY.

1. Describe the pulmonic circulation.
 2. Define (a) anastomosis, (b) metabolism, (c) anabolism, (d) catabolism.
 3. What is the composition of the chyle?
 4. Describe the lymphatic circulation.
 5. What is the normal amount of urine voided by an adult in twenty-four hours, and what physiologic conditions cause a variation from this amount?
 6. How would you proceed to make a blood count?
 7. What are the five chief functions of the stomach?
 8. Describe the nerve control of the urinary bladder.
 9. What are the chief factors concerned in stimulating the secretion of gastric juice?
 10. How would you make a quantitative analysis of the gastric juice?
- Submitted by W. A. Spurgeon, M. D., July.

OBSTETRICS.

1. Give causes, symptoms and treatment of inversion of the uterus.
 2. Name one or more causes of hourglass contraction of the uterus. Give treatment.
 3. State most common cause of morbid retention of the placenta.
 4. When should Caesarean section be performed?
 5. Give probable cause and treatment of puerperal mania.
 6. Give treatment of puerperal septicemia.
 7. Describe the kyphotic pelvis.
 8. How long should the mother keep her bed after labor?
 9. Describe Sylvester's method of artificial respiration.
 10. State best method of inducing premature labor when it is designed to save the child's life.
- Submitted by W. T. Gott, M. D., July.

GYNECOLOGY.

1. Name the physiological periods of woman.
 2. Give the principal procedures in local treatment.
 3. Give preparation for aseptic abdominal operation—
 - (a) Preparation of the operator and assistants.
 - (b) Preparation of the instruments, etc.
 - (c) Preparation of the patient.
 4. Define hypodermoclysis, giving technique of operation.
 5. Give etiology, pathology, diagnosis and treatment of acute metritis.
 6. Give indications for curettage, and describe operation.
 7. Give indications for hysterectomy and describe operation.
 8. Give differentiation of tubercular and gonorrheal cystitis.
 9. Give differentiation of renal and ovarian cysts.
 10. Give diagnosis and operation for urethro-vaginal fistula.
- Submitted by M. S. Canfield, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Regular.)

Answer briefly and concisely, in writing, the following questions:

1. Name the routes by which medicinal agents may be introduced into the organism.
2. Name a medicinal agent which (a) raises blood pressure, (b) lowers it, and give the physiologic action of each.
3. Name a medicinal agent which increases the renal function, and give an indication for its use.
4. Name a medicinal agent which increases the function of the skin, and give an indication for its use.
5. Define (a) decoction, and (b) infusion.
6. Give the derivation of quinine and its therapy.
7. How does ergot arrest uterine hemorrhage?
8. Write a prescription for an expectorant suitable for the first stage of acute bronchitis.
9. Write a prescription for a general tonic.
10. Write a prescription for an emetic.

—Submitted by J. C. Webster, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Regular.)

Answer briefly and concisely, in writing, the following questions:

1. Give predisposing cause, pathology, symptoms and prognosis of arterio-sclerosis of the cerebral arteries.
2. Give predisposing cause and symptoms of cerebral hemorrhage.
3. Give exciting cause and physical signs of croupous pneumonia.
4. Give predisposing cause and treatment of pulmonary hemorrhage.
5. Give physical signs of pleuritic effusion.
6. Give exciting cause, symptoms and treatment of typhoid fever.
7. Give common cause, symptoms and treatment of gastro-intestinal catarrh in infants.
8. Give exciting cause, symptoms and pathology of epidemic cerebro-spinal meningitis.
9. Give pathology and diagnosis of Bright's disease of the kidneys.
10. Give diagnosis and treatment of cystitis.

—Submitted by J. C. Webster, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Eclectic.)

1. Name two therapeutic remedies, one of which will contract the pupil, and the other dilate it.
2. Give indications when you would give the following remedies stating dose of each: *Asclepias*.
3. *Oenantha*.
4. *Solanum Car.*
5. *Hydrastis*.
6. *Cuprum*.

7. Colocynth.
8. Apocynum.
9. Give indications for an acid. An alkali.
10. Write a prescription for an irritative cough, such as is often associated with measles.

—Submitted by M. S. Canfield, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Eclectic.)

1. Give diagnosis, complications and sequela of scarlatina.
2. Give etiology, pathology and treatment of pericarditis.
3. Give treatment of a child two years old who has taken one half grain morphia sulphas.
4. Give treatment of chronic tonsillitis, and adenoids of the pharynx.
5. Give etiology, diagnosis and treatment of Addison's disease.
6. Give treatment for la grippe.
7. Give causes and treatment for chorea.
8. How would you treat a case of arsenical poisoning?
9. Give pathology and diagnosis of mitral stenosis.
10. Give cause and treatment for uraemic poisoning.

—Submitted by M. S. Canfield, M. D., July.

MATERIA MEDICA AND THERAPEUTICS.

(Homeopathic.)

1. Chloroform—give therapeutic action.
2. Chimaphila umbellata—give habitat and indications for use.
3. Chelidonium—name three special centers of action.
4. Carbo-vegetabill—give therapeutic individuality.
5. Capsicum annuum—give therapeutic individuality.
6. Cantharides—name special centers of action.
7. Cannabis sativa—give antidote and special centers of action.
8. Bryonia alba—give therapeutic individuality.
9. Pharmacology—define.
10. Kali bichromicum—give effects on mucous membranes.

—Submitted by W. T. Gott, M. D., July.

THEORY AND PRACTICE OF MEDICINE.

(Homeopathic.)

1. Define Hodgkin's disease.
2. Give diagnosis and morbid anatomy of diabetes mellitus.
3. Give etiology and diagnosis of nephritis.
4. (a) What is an aneurism? (b) Give the physical signs of aneurism of the aorta.
5. Give symptoms and treatment of arterio-sclerosis.
6. Define and give treatment of enuresis.
7. State common cause and treatment of endocarditis.
8. Define hydro- and pneumo-thorax.
9. Describe chronic interstitial pneumonia.
10. Give cause and morbid anatomy of cirrhosis of the liver.

—Submitted by W. T. Gott, M. D., July.

CHEMISTRY.

1. What is the usual reaction of normal urine, and to what is it due?
2. Give two reliable tests for albuminuria.
3. Give the antidotes for carbolic acid poison.
4. What elements are found in all animal and vegetable substances?
5. What is the chemical antidote for arsenical poison?
6. If you were called to see a patient who had taken a large dose of tincture of iodine, what chemical antidote would you give?
7. What is an oxidizing agent? Name three.
8. What is a reducing agent? Name two.
9. What is urea chemically? What is the average daily amount excreted in the urine?
10. Define a ptomaine.

—Submitted by J. M. Dinnen, M. D., July.

SURGERY.

1. Classify dislocations of the hip joint.
2. Give the indications for surgical intervention in gastric ulcer.
3. Give differential diagnosis between a sarcoma and gumma of the testicle.
4. Give the signs and symptoms of a fracture of the shaft of a long bone.
5. Differentiate between obstruction to the common bile duct by a gall stone and by a carcinoma of the head of the pancreas.
6. Give method of reduction of sub-coracoid dislocation of the shoulder joint.
7. Give indications for trephining in fractures of the skull.
8. Give differential diagnosis between mechanical ileus and acute general peritonitis.
9. Briefly describe the treatment of strangulated hernia.
10. Give the immediate treatment for acute retention of urine from an enlarged prostate.

—Submitted by J. M. Dinnen, M. D., July.

PATHOLOGY.

1. Describe the macroscopic and microscopic appearance of the kidney in interstitial nephritis.
2. Describe an aneurism. What condition is essential for the development of an aneurism?
3. Define (a) telangiectasis, (b) edema, (c) necrosis, (d) gangrene.
4. What is the pathology of locomotor ataxia?
5. Describe three kinds of crystals found in the urine. Under what conditions are these present?

—Submitted by W. A. Spurgeon, M. D., July.

BACTERIOLOGY.

1. How would you pasteurize milk? Why is the process repeated three times?
2. Give a method of differentiation between the tubercle and amegma bacilli.
3. How would you thoroughly disinfect your hands?
4. How would you test the blood for Weidel's reaction?
5. How is it conclusively demonstrated that a certain microbe is the cause of a certain disease?

—Submitted by W. A. Spurgeon, M. D., July.

HYGIENE.

Answer briefly and concisely, in writing, the following questions:

1. Define hygiene.
2. What hygienic measures are most efficient in the prevention and treatment of pulmonary tuberculosis?
3. What hygienic measures are essential to the prevention of typhoid fever?
4. What hygienic measures are essential to the prevention of gastrointestinal catarrh in children?
5. Describe the proper hygiene of the sick-room?

—Submitted by J. C. Webster, M. D., July.

HISTOLOGY.

Answer briefly and concisely, in writing, the following questions:

1. Define histology.
2. Give histology of muscle.
3. Give histology of an artery.
4. Give histology of the skin.
5. Give histology of a pulmonary air cell.

—Submitted by J. C. Webster, M. D., July.

RHINOLOGY.

1. What are the causes of foetid discharge from the nose?
2. Name the congenital deformities of the nose.
3. Mention the forms of rhinitis.
4. Give the treatment of epistaxis.
5. Give the treatment of acute coryza.

—Submitted by J. M. Dinnen, M. D., July.

MEDICAL JURISPRUDENCE.

1. How would you distinguish between an incised wound made before and after death?
2. Define (a) expert witness, (b) ordinary witness.
3. Define rigor mortis. To what is it due?

4—Med. Ex.

4. What organ is generally the first to undergo putrefaction?
 5. What organ is generally the last to undergo putrefaction?
- Submitted by J. M. Dinnen, M. D., July.

OPHTHALMOLOGY.

1. How would you test acuteness of vision?
 2. Give test for color blindness.
 3. Define conjunctivitis neonatorum, give causes, symptoms and treatment.
 4. Define iridectomy, and state under what conditions you consider the operation necessary.
 5. When should enucleation be performed? Describe operation.
- Submitted by M. S. Canfield, M. D., July.

OTOLOGY.

1. Give topography of the sound-conducting apparatus.
 2. Give method of examination of the middle ear.
 3. Give etiology, diagnosis and treatment of mycosis of the external ear.
 4. Give diagnosis and treatment of stricture of Eustachian tube.
 5. Otosclerosis—give etiology, diagnosis and treatment.
- Submitted by M. S. Canfield, M. D., July.

LARYNGOLOGY.

1. Give the physiology of the larynx.
 2. Give the differential diagnosis of syphilitic laryngitis.
 3. Give symptoms and treatment of elongated uvula.
 4. Give treatment of neoplasms of the cavity of larynx.
 5. Describe oedema of the larynx, and give proper treatment.
- Submitted by W. T. Gott, M. D., July.

DERMATOLOGY.

1. Define tinea favosa; give synonym and treatment.
 2. Describe scabies and give treatment.
 3. What is epithelioma?
 4. Give diagnosis of lupus erythematosus.
 5. Give the etiology of lichen ruber.
- Submitted by W. T. Gott, M. D., July.

**CONSTITUTION OF THE AMERICAN CONFEDERATION
OF RECIPROCATING, EXAMINING AND LICENS-
ING MEDICAL BOARDS OF THE UNITED
STATES OF AMERICA.**

Article I.—The name of this organization shall be the American Confederation of Reciprocating, Examining and Licensing Medical Boards.

Article II.—The object of this Confederation shall be to establish reciprocal relations between the medical examining and licensing boards of the States, Territories, districts and provinces of the United States; the purpose of which being that thoroughly worthy and well qualified physicians and surgeons who have been legally authorized to practice under the laws of one of said States, Territories, districts or provinces, may be given legal authority and be admitted to practice in any State, Territory, district or province represented in this Confederation without a repetition of the tests of qualification to which such practitioner has submitted.

Article III.—The officers of this Confederation shall be a President, First and Second Vice-Presidents, Secretary, and Treasurer, whose duties shall be those usual to said officers, and who shall be elected annually by the Confederation and retain their respective offices until their successors are elected and qualified.

Article IV.—Additional to the officers mentioned in Article III, there shall be an Executive Council, composed of an authorized representative of each State Board represented in this Confederation, whose duty shall be to take advisory oversight of the affairs of the Confederation, audit claims and accounts, and make recommendations as to the business affairs of the Confederation.

Article V.—Any examining or licensing board of any State, Territory, district or province of the United States having a medical practice law requiring an examination before said board, and requiring thorough professional qualification as the basis of legal authority to practice in said State, Territory, district or province shall be eligible to membership in this Confederation and may

obtain membership by the signature of its authorized representative to this Constitution and maintain such membership by compliance with the requirements of the Constitution and By-Laws of the Confederation.

Article VI.—The annual dues to the Confederation shall be such an amount proportioned among the boards composing the Confederation as may be necessary to meet the expenses as found and allowed by the Executive Council.

Article VII.—It shall be the duty of each examining or licensing board having membership in this Confederation to draft and spread of record in its home office a resolution embodying the basis of reciprocal recognition of applicants from other reciprocating States.

SIGNATURES TO THE ABOVE CONSTITUTION.

John R. Currans, President, Wisconsin Board of Medical Examiners.

W. A. Spurgeon, President, Indiana Board of Medical Examiners.

Beverley D. Harrison, Secretary, Michigan State Board of Registration in Medicine.

William Bell, President, Michigan State Board of Registration in Medicine.

J. A. McKlveen, President, Iowa State Board of Medical Examiners.

R. E. Conniff, Member, Iowa State Board of Medical Examiners.

L. F. Towers, Member, Ohio State Board of Medical Registration and Examination.

H. H. Baxter, Member, Ohio State Board of Medical Registration and Examination.

William T. Gott, Secretary, Indiana State Board of Medical Registration and Examination.

M. S. Canfield, Member, Indiana State Board of Medical Registration and Examination.

S. W. Williston, Member, Kansas State Board of Medical Registration and Examination.

RESOLUTIONS ON RECIPROCITY

ADOPTED BY AMERICAN CONFEDERATION OF RECIPROCATING, EXAMINING AND LICENSING BOARDS, APRIL 23, 1903.

(Membership: Wisconsin, Indiana, Michigan, Ohio, Iowa, Kansas.)

Resolved, That for the purpose of establishing medical reciprocity among the States composing it, the Federation of Reciprocating, Examining and Licensing Boards does hereby agree to the following propositions as a basis of reciprocal registration:

(a) That as a prerequisite to reciprocal registration, the applicant therefor shall file in the office of the Board in which he was last registered such evidence as will enable the said Board to certify that he is of good moral and professional character.

Such certificate shall be filed with his application for reciprocal registration in another State.

1. (b) Also that a certificate of registration showing that an examination has been made by the proper Board of the State, on which an average grade of not less than seventy-five per cent. was awarded, the holder thereof having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in the State where reciprocal registration is sought, may be accepted in lieu of examination, as evidence of qualification: Provided, That in case the scope of the said examination was less than that prescribed by the State in which registration is sought, the applicant may be required to submit to a supplemental examination by the Board thereof in such subjects as have not been covered.

2. (c) That a certificate of registration, issued by the proper Board of any State may be accepted as evidence of qualification for reciprocal registration in any other State: Provided, The holder of such State certificate had been engaged in reputable practice in such State at least one year; and also provided, that the holder thereof was at the time of such registration the legal possessor of a diploma issued by a medical college in good standing in the State in which reciprocal registration is sought, and that the date of such diploma was prior to the legal requirement of the examination test in such State.

ATTORNEYS' REPORT.

INDIANAPOLIS, IND., February 11, 1904.

To the State Board of Medical Registration and Examination:

Dear Sirs—During the past year we have instituted about twenty cases in different counties for practicing medicine without a license. About one-third of them have resulted in convictions. About one-half are still on the dockets and remain to be tried.

We have conferred and advised with the local officers over a number of cases which were brought in the first instance by the local authorities. The leading case this year was the prosecution and conviction of Laura S. Funk, a Christian Scientist, in the Marion Criminal Court. Next in importance probably was the conviction of Dr. A. D. Williams, a traveling specialist from St. Louis, who was prosecuted at Bedford. The license of Daniel D. Weiser was canceled.

Early in the year we obtained a final decision establishing that the Board had a right to investigate the character of the diplomas held by osteopaths engaged in the practice when the Acts of 1901 went into force.

In the case of *Parks v. State*, in 159 Ind. 211, the Supreme Court decided most explicitly:

1. That the Medical Law, as amended in 1901, was constitutional.
2. That an indictment or affidavit in the general language of the statute was sufficient.
3. A "magnetic" healer is within the inhibition of the law and must be convicted if he has no license.

The complete upholding of the law in all of its features by the Supreme Court has had a healthy effect on the sentiment of both the people and the local authorities over the State, and we find them as a rule ready to co-operate with us in the enforcement of the law. Very truly yours,

GAVIN & DAVIS.

REPORT ON EXAMINATION.

A total average of 75 per cent. shall be necessary to license a candidate (he having otherwise complied with the law), providing that on no subject shall the grade be less than 40 per cent. A candidate having less than 50 per cent. in more than one subject shall be rejected. The candidate, however, is entitled to a second examination within one year without further charge.

 (26). Present matriculates.

SUMMARY OF LAWS AND REGULATIONS GOVERNING PRACTICE OF MEDICINE IN THE STATES AND TERRITORIES OF THE UNION.

NOTE.

The requirements as set forth herein are substantially correct, at the present date (March, 1904). There has been no attempt made to furnish a complete digest of the several laws and regulations, but rather to give the essential facts regarding the conditions of medical practice desired by the physician who wishes to locate in a State. Information concerning the fees for examination and license, and the time and place of examinations, has been purposely omitted. Further information can be furnished by the respective secretaries, whose names and addresses are correctly given.

ALABAMA.

Section 1.—Be it enacted by the legislature of Alabama, That any applicant for a certificate of qualification to treat diseases of human beings by any system of treatment whatsoever, shall, according to rules prescribed and standards established by the Medical Association of the State of Alabama, be examined by one of the authorized Boards of Medical Examiners of this State in the following branches of medical learning, to wit: Chemistry, anatomy, physiology, the etiology, pathology, symptomatology, and diagnosis of diseases; obstetrics and obstetrical operations; gynecology; minor and major surgery; physical diagnosis; hygiene; and medical jurisprudence; and should said applicant be found proficient in said branches of medical learning a certificate of qualification in such form as shall be prescribed by said Medical Association of the State of Alabama shall be issued to him, which shall entitle him to treat any and all diseases of human beings in this State in any manner that he may deem best.

Sec. 2.—Be it further enacted, That when an applicant states in writing that he has neither studied nor proposes to practice

major surgery, said applicant shall be exempt from examination in said branch of major surgery, and should he be found proficient in the other branches of medical learning named in section one of this act, a certificate of qualification in form to be likewise prescribed by the Medical Association of the State of Alabama shall be issued to him, which shall entitle him to treat all diseases of human beings in this State in such manner as he may deem best, except by the practice of major surgery.

Sec. 3.—Be it further enacted, That all laws and parts of laws in so far as they conflict with the provisions of this act, be and the same are hereby repealed.

The applicant for examination need not present a diploma. No evidence of college attendance is required. "No rule concerning administration of medical law yet adopted."—Chairman, March 15, 1904.

Dr. W. H. Sanders, Montgomery, is the Chairman of the State Board of Medical Examiners.

ALASKA.

There is no law regulating the practice of medicine in this territory. Itinerant physicians, in accordance with the act of June 6, 1900, pay a license of \$50 per annum.

ARIZONA.

An examination is required of all persons desiring to commence the practice of medicine in the territory. The applicant, who must be a *bona fide* resident of Arizona, must have obtained a diploma to practice medicine, or some department thereof, regularly issued by a medical college, lawfully organized under the laws of the State or Territory wherein such college shall have been located at the time of the issuance of such diploma, and pass an examination before the State Board of Medical Examiners.

The examination is in the following branches: Anatomy, physiology, chemistry, gynecology, obstetrics, pathology, practice, surgery, and such other branches as the applicant may elect.

Dr. William Duffield, Phoenix, is Secretary of the Board.

• ARKANSAS.

The law of 1903 provides for the creation of three Boards known as the Homeopathic State Medical Board, the Eclectic State Medical Board, and the State Medical Board of the Arkansas Medical Society.

Every person desiring to begin the practice of medicine in the State must pass an examination before one of these Boards. The Homeopathic State Medical Board examines all applicants who propose to practice the homeopathic system of medicine; the Eclectic State Medical Board examines all applicants who propose to practice the eclectic system of medicine; and the Board of the Arkansas Medical Society examines all other applicants.

The examination will be written or oral at the discretion of the Board, and elementary and of a practical character, including anatomy, physiology, chemistry, materia medica, theory and practice of medicine, surgery and obstetrics.

Dr. J. P. Runyan, Little Rock, is Secretary of the Board of the Arkansas Medical Society; Dr. J. L. Vail, Little Rock, of the Eclectic State Medical Board; Dr. V. H. Hallman, Hot Springs, of the Homeopathic State Medical Board.

CALIFORNIA.

In order to procure a certificate entitling to practice in this State, the applicant must present to the State Board of Medical Examiners a diploma issued by some legally chartered medical school, the requirements of which school shall have been at the time of granting such diploma, in no particular less than those prescribed by the Association of American Medical Colleges for that year; or he must produce satisfactory evidence of having possessed such diploma, or a license from some legally constituted institution which grants medical and surgical licenses only upon actual examination, or satisfactory evidence of having possessed such license. The applicant must also be personally examined by the Board as to his qualifications to practice medicine and surgery on the following subjects: Anatomy, physiology, bacteriology, pathology, chemistry and toxicology, surgery, obstetrics, materia medica and therapeutics, theory and practice of medicine. The Board is empowered by law to license without examination persons holding certificates from States having equal

requirements, providing the licenses of California are recognized without examination in said States.

"Your letter was referred to the members of the medical board at its last meeting. The opinion of the members of the medical board and their attorneys was that reciprocity was hardly practicable, so we have decided to act on that basis."—Secretary, May 15, 1903. "California does not reciprocate with any states in medical licenses."—Secretary, March 21, 1904.

CALIFORNIA STATE BOARD OF MEDICAL EXAMINERS IN TROUBLE.

Suit to oust the State Board of Medical Examiners of California has been begun in the name of the people through the Attorney-General, the petitioner being Dr. D. A. Hodghead, dean of the College of Physicians and Surgeons of San Francisco. The complaint sets forth that the defendants hold their places by virtue of having been elected on the board by the Medical Society of California, the California State Homeopathic Medical Society and the Eclectic Medical Society of the State of California, and the petitioner holds that these are simply private organizations, with no legal right to appoint anybody to public and salaried offices.

Case is now pending in the Supreme Court.

Dr. George G. Gere, 825 Market street, San Francisco, is the Secretary of the Board.

COLORADO.

The law regulating medical practice in Colorado is essentially as follows:

Those physicians holding diplomas from recognized reputable medical schools are registered upon the presentation of diplomas or other sufficient evidence of graduation. All applicants graduating after January 1, 1900, must have had four full courses—in four separate years—in medical colleges having adopted the standard of requirements equal to those of the A. A. M. C. Other physicians and undergraduates applying for licenses are examined by the Board in anatomy, chemistry, physiology, pathology, surgery, practice of medicine and obstetrics. Only residents of Colorado are registered, but any one may register immediately on entering the State by complying with the requirements of the Board.

Dr. S. D. Van Meter, Denver, is secretary of the State Board of Medical Examiners.

CONNECTICUT.

In this State a license will be issued to any person of good character who has received a diploma from some legally incorporated medical college, and who passes an examination before any one of the three committees appointed by the State Board of Health on the nomination of the Connecticut Medical Society, the Connecticut Homeopathic Medical Society and the Connecticut Eclectic Medical Association. Each committee frames its questions and conducts its examinations and files both questions and answers with the State Board of Health, which issues certificates of registration. The examinations are in the several branches of medicine.

Any one of the examining committees may accept the license of any State Board of Medical Examiners of any State in the United States or in the District of Columbia in lieu of said examination, provided the applicant shall present such license to the examining committee before whom he appears, together with satisfactory evidence that such license has been issued after a State examination of as high a grade and of the same kind as that required by said examining committee; that he is a resident of this State or that he intends in good faith to permanently reside herein; that he has been in actual practice for a period of at least six months in the year immediately preceding the date of his application. List of States not obtainable.

Dr. C. A. Lindsley, New Haven, is Secretary of the State Board of Health, to whom applications for blank forms and for examination should be made.

DELAWARE.

The right to practice in this State is conferred only by a certificate of the Medical Council. All applicants must present diplomas from legally incorporated medical colleges. Graduates after April, 1895, must have attended three courses of lectures in different years. Applicants furthermore must pass a written examination before the Board of Medical Examiners representing the President and Fellows of the Medical Society of Delaware, or that representing the Homeopathic Society of Delaware State and Peninsula. Examinations are in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica.

Reciprocity of license is permitted by law with other States having a standard of requirements substantially the same as that required by the Medical Council of Delaware.

"Thus far Delaware has arranged for reciprocity with but two States, New Jersey and Maryland. The purpose of the Medical Examining Boards of Delaware is to establish reciprocal relations with those boards of other States having a standard not below our own."—Secretary, Feb. 1, 1903.

"New Jersey having raised her standard to four courses of lectures, and ours requiring but three, we have by mutual agreement discontinued reciprocity until we can by act of legislature bring our requirements up to those of New Jersey."—Secretary, March 14, 1904.

Dr. W. P. Tomlinson, Wilmington, is Secretary of the Medical Council, to whom applications for examinations should be made.

DISTRICT OF COLUMBIA.

The regulation of the practice of medicine devolves upon the Board of Medical Supervisors of the district. Only graduates in medicine holding diplomas from colleges authorized by law are eligible to examination. Diplomas issued prior to July 1, 1898, shall be accompanied by satisfactory evidence that the applicant has studied medicine not less than three years prior to the issuing thereof, and four years if issued subsequent to June 30, 1898. Diplomas issued on two courses of lectures can not be accepted without evidence of at least one year's additional study prior to the issue of a diploma. All examinations include anatomy, physiology, chemistry, bacteriology, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and the ear, medical jurisprudence, and such other branches as may be from time to time determined by the Board of Medical Supervisors. Licenses may be issued without examination to physicians holding certificates from the examining boards of other States, providing the said Boards grant equal rights and recognition to the licentiates of the Board of Medical Supervisors of the District of Columbia. Examinations are conducted by three Boards of Medical Examiners, representing the Regular, Homeopathic and Eclectic schools. All examinations are subject to review by the Board of Medical Supervisors.

"The Board of Medical Supervisors of the District of Columbia

will reciprocate with any State or Territory, the medical law of which grants to licentiates of the Board of Medical Supervisors of the District of Columbia rights and recognition in such State or Territory equal to the rights and recognition grantable reciprocally to the licentiates of such State or Territory."—Secretary, Feb. 1, 1903. The law requires that certificates based on reciprocity be issued without fee. This precludes the possibility of reciprocity with States while the present law is in force.

A bill has been introduced in the United States Senate providing that all physicians who have practiced medicine in any State of the Union for ten years or more shall be allowed to practice in the District without further examination on payment of a fee and the exhibition of a certificate of good character.

All applications for a license must be made to the Secretary of the Board of Medical Supervisors, Dr. Wm. C. Woodward, Washington, D. C.

FLORIDA.

The law of this State requires that an applicant for a certificate shall pass an examination before the Board of Examiners of a Judicial District, a State Homeopathic Board or a State Eclectic Board. The applicant to a District Board must present a diploma from a recognized school. To the Homeopathic Board a diploma from a school recognized by the American Institute. To the Eclectic Board a certificate of graduation from an Eclectic school. There is no uniform standard for examinations. Each Board establishes its own standard.

SECRETARIES STATE BOARDS OF EXAMINERS.

Dr. E. F. Bruce, Pensacola, 1st Judicial Circuit.
 Dr. J. F. Williams, Monticello, 2d Judicial Circuit.
 Dr. J. A. Townsend, Lake City, 3d Judicial Circuit.
 Dr. J. H. Durkee, Jacksonville, 4th Judicial Circuit.
 Dr. G. E. Welch, Palatka, 5th Judicial Circuit.
 Dr. L. A. Bize, Tampa, 6th Judicial Circuit.
 Dr. R. L. Harris, Orlando, 7th Judicial Circuit.

STATE HOMEOPATHIC BOARD.

Dr. C. W. Johnson, Jacksonville.

STATE ECLECTIC BOARD.

Dr. H. J. Hampton, Tampa.

GEORGIA.

In this State there are three boards of examiners of five members each appointed by the Governor from the Regular, Eclectic and Homeopathic schools. Each Board examines only persons making application to it, who are graduates of incorporated medical colleges, that require not less than three full courses of studies of six months each, or in the case of persons graduated prior to April 1, 1895, on two full courses of study. The applicant must appear before the Board which represents the system that he proposes to practice.

Dr. I. H. Goss, Athens, is Secretary of the Board representing the Regular School of Medicine. Dr. R. E. Hinman, Atlanta, is Secretary of the Board representing the Homeopathic School of Medicine. Dr. M. T. Johnson, Lawrenceville, is Secretary of the Board representing the Eclectic School of Medicine.

HAWAII.

A license to practice medicine in the territory of Hawaii is granted on the recommendation of the Board of Health after an examination by the Board of Medical Examiners.

Dr. J. S. B. Pratt, Honolulu, is executive officer of the Board.

IDAHO.

Graduates of reputable colleges of medicine in good standing with the State Board of Medical Examiners are eligible to examination. The applicants are examined in the applied branches of the theory and practice of medicine and surgery as are taught in the reputable schools of the system of medicine to which the applicant belongs, and in which the applicant intends to practice. At present the Board examines applicants upon twelve branches, as follows: Anatomy, physiology, materia medica and therapeutics, obstetrics, gynecology, chemistry and toxicology, diagnosis, theory and practice, histology and pathology.

Dr. R. L. Nourse, Hailey, is the Secretary of the State Board of Medical Examiners.

ILLINOIS.

Every person desiring to enter on the practice of medicine in this State must pass an examination before the State Board of Health in the following branches: Anatomy (including his-

tology), chemistry, gynecology, hygiene, materia medica and therapeutics, medical jurisprudence, obstetrics, pathology and bacteriology, physiology, practice of medicine (including dermatology, laryngology, rhinology, neurology, ophthalmology and otology) and surgery. The applicant must be a graduate of a medical college in good standing with the Board. If he graduated after January 1, 1900, he will be required to show evidence of having attended four courses of lectures of at least six months each in separate years. Each applicant will be required to submit evidence of an adequate preliminary education. Commencing with the session of 1904-05 every medical college considered in "good standing" with the Illinois State Board of Health will be required to exact of each candidate for admission documentary evidence of an accredited high school education or its equivalent (including a knowledge of Latin) and an attendance on four courses of lectures of at least seven months each, in separate years.

Applicants who have been examined and licensed by other State Examining Boards, having, at the time of examination, standards not lower than those required by the State Board of Health of Illinois, will be granted certificates without examination, if the Examining Board in question will recognize the certificates issued by the Illinois Board, under the provisions of the act now in force. The Illinois State Board of Health now reciprocates—in the case of licenses issued on examination—with Maine, Michigan, Nebraska, New Jersey, Ohio, Virginia and Wisconsin; and probably Iowa and Kentucky.

Dr. J. A. Egan, Secretary, Springfield.

INDIAN TERRITORY.

In the Cherokee Nation, all persons desiring to begin the practice of medicine must obtain a certificate from a Board of Medical Examiners of a Supreme Judicial District. An examination may or may not be required of a graduate of some medical school of reputable standing. Certificates are not issued to nongraduates in medicine.

In the Creek Nation the Board of Health examines persons who may apply for a license. No person can be examined unless he has attended at least one term in a reputable medical college.

In the Choctaw Nation an examination is required of all persons, but as in the Creek Nation there is no penalty for violation of the law except that the offender shall be held to be an intruder and dealt with accordingly.

It is stated that in the above nations, as well as in the Peoria, Wyandotte and others, the laws are null and void.

INDIANA.

An examination is required of all applicants for a certificate to practice medicine in this State, except students who matriculated in a reputable Indiana medical college before January 1, 1901, and graduate and make application to the Board prior to January 1, 1905. The applicant for an examination must have graduated from a reputable medical college, maintaining a standard of medical education prescribed by the Board. The subjects for examination are anatomy, physiology, obstetrics, gynecology, materia medica and therapeutics, theory and practice of medicine, chemistry, surgery, pathology, bacteriology, hygiene, histology, rhinology, medical jurisprudence, ophthalmology, otology, laryngology and dermatology. The Board by law is empowered to establish and cause to be rigidly adhered to, a schedule of minimum requirements and rules for medical colleges. The Board is empowered to make and establish all necessary rules and regulations for the reciprocal recognition of certificates issued by other States.

"Indiana is willing to reciprocate with all sister States on the following conditions, viz.: First, that the applicant for reciprocal recognition must present or give satisfactory evidence of possessing a diploma from a medical institution that is recognized, at the time of application, by the Indiana Board of Medical Registration and Examination.

"Second, acceptable proof must be furnished that the applicant has been examined by a legally constituted State Board authorized to examine applicants to practice medicine and surgery.

"The general average must not be less than 80 per cent. in the subjects of examination required by the Board.

"If applicant has not been examined in all the above named branches, he will be required to take a supplemental examination in such branches as have not been taken."—Secretary, Feb. 1, 1903. "Indiana now reciprocates with Michigan, Wisconsin and Nebraska."—Secretary, March 17, 1904.

Dr. W. T. Gott, Indianapolis, is Secretary of the State Board of Medical Examiners.

IOWA.

From and after January 1, 1899, all persons beginning the practice of medicine in the State of Iowa, must submit to an ex-

amination in the several branches of anatomy, chemistry, materia medica, obstetrics, pathology, physiology, practice and surgery, and in addition thereto must present diplomas from medical colleges recognized as in good standing by the State Board of Medical Examiners; and all persons receiving their diplomas subsequent to January 1, 1899, must present evidence of having attended four full courses of study of not less than twenty-six weeks each, no two of which courses shall have been given in any one year.

Reciprocity with other States in the case of licenses issued on examination and on diplomas is permitted by an amendment to the medical law just enacted.

Dr. J. F. Kennedy, Des Moines, is Secretary of the Board.

KANSAS.

In accordance with the law regulating the practice of medicine in the State of Kansas, persons desiring to commence the practice of medicine in the State shall apply to the State Board of Medical Registration and Examination and furnish evidence that they have devoted not less than three periods of six months each, no two within the same twelve months, or, if after April 1, 1902, four periods of not less than six months each, no two within the same twelve months, to the study of medicine and surgery, and (except as hereinafter provided) submit to such examination in anatomy and histology, chemistry, obstetrics and gynecology, materia medica and therapeutics, pathology, bacteriology, theory and practice of medicine, physiology and surgery. The law further provides that graduates of legally chartered medical institutions of the United States or foreign countries in good standing as determined by the Board, may, at the discretion of the Board, be granted a license without examination, and that the Board may in its discretion accept in lieu of examination or diploma the certificates of other Boards, whose standards of qualifications for practice are equivalent to those of Kansas. Circular Letter No. 7, issued by the Board March 20, 1903, states that after April 1, 1902, the basis of all registration for the practice of medicine and surgery will be a satisfactory examination by the Board. No registrations will be made on diplomas or certificates from other State boards.—Affirmed by Secretary, March 14, 1904.

CIRCULAR LETTER OF BOARD, 1904.

The basis of all registration for the practice of medicine and surgery will be a satisfactory examination by the Board.

All applicants must have one of the following qualifications to be admitted to the examination:

1. They must have attended a legally qualified medical school two years and have had ten years' practice.
2. They must have attended a legally qualified medical school three years and have had five years' practice.
3. They must have attended a legally qualified medical school four years.

The Board shall be the judge of what constitutes a legally qualified medical school.

Dr. O. F. Lewis, Hepler, is Secretary of the Board.

KENTUCKY.

The authority to practice medicine is a certificate from the State Board of Health, which, upon application, will issue a certificate to any reputable physician who is practicing, or who desires to begin the practice of medicine in this State who possesses any of the following qualifications: First, a diploma from a reputable medical college legally chartered under the laws of this State. Second, a diploma from a reputable and legally chartered medical college of some State or county endorsed as such by the State Board of Health. Third, satisfactory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine in this State prior to February twenty-third, one thousand eight hundred and sixty-four. Nonresidents are not entitled to register.

The following requirements will be in force on and after June 15, 1904: All persons (except present matriculates of Kentucky colleges), before entering upon the practice of medicine must pass a satisfactory examination before the State Board of Health in all the branches taught in recognized medical colleges. Only those are eligible for examination who are *bona fide* residents of the State and who hold diplomas from recognized colleges located within the limits of the United States, or who were regularly and honorably engaged in practice in this State prior to February 23, 1884. The Board, acting under its general powers, will probably reciprocate with other States having equivalent requirements.

Dr. J. N. McCormack, Bowling Green, is Secretary of the Board.

LOUISIANA.

All persons before entering upon the practice of medicine in any of its branches, in this State, must present to the Board of Medical Examiners a diploma from a medical college in good standing as determined by the Board, and pass a satisfactory examination. The applicant shall also satisfy the Board that he or she is twenty-one years of age, of good moral character, and possesses at least a fair primary education. The Board, composed of physicians and surgeons recommended by the Louisiana State Medical Society, examines all applicants who propose to practice any other than the Homeopathic system of medicine, and the Board, composed of physicians recommended by the Hahnemann State Medical Society, examines all applicants who propose to practice the Homeopathic system of medicine.

Dr. F. A. Larue, 624 Gravier street, New Orleans, is secretary of the Board representing the Louisiana State Medical Society, and Dr. Gayle Aiken, 1102 St. Charles avenue, New Orleans, is secretary of the Board representing the Hahnemann State Medical Society.

MAINE.

All persons who apply for registration in this State must present to the Board of Registration of Medicine a diploma from a medical school or college in good standing with the said Board and pass an examination in anatomy (including histology), physiology (with some reference to chemistry), pathology, including bacteriology, materia medica, therapeutics, practice of medicine, surgery (including reference to diseases of eye and ear), and obstetrics (including gynecology). The standard of medical instruction which the Board will approve is three years of medical study and three courses of lectures for those who graduate previous to 1902 and four years' study and four courses of lectures after 1901. Five years of reputable practice before 1901 will be accepted in lieu of one year's study. The examination is both written and oral. Any person who is eligible for examination before this Board and who has been examined and registered or licensed by the examining Board of any other State which maintains a standard of education at least equal to that required

in this State, may be registered by this Board and have a certificate issued to him upon complying with certain requirements.

"We will register any person who is eligible to examination by our Board and who has been examined and received a rating of at least 75 per cent. by any Board that maintains a standard equal to our own and been registered by it, provided the Board will accept our certificate under similar circumstances."—Secretary, Feb. 3, 1903.

"We have accepted reciprocal registration with New Jersey, Illinois, Michigan, and probably Ohio."—Secretary, March 12, 1904.

Dr. A. K. P. Meserve, Portland, is Secretary of the Board.

MARYLAND.

The regulation of the practice of medicine in this State devolves upon two boards of eight members each selected respectively by the Medical and Chirurgical Faculty of the State of Maryland and the Maryland State Homeopathic Medical Society. Any person who desires to commence the practice of medicine in the State must make written application for license to either Board and to show that he is of good moral character, has received a competent common school education and has either received a diploma from a medical college of the United States requiring a four years' standard of education as defined by the American Medical College Association or the Intercollegiate Committee of the American Institute of Homeopathy or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country. The requirement concerning diploma or license does not apply to any physician who has practiced outside of Maryland for at least three years prior to April 11, 1902, and has been duly registered and licensed in the place where he so practiced, or to any student who on April 11, 1902, was in his second year in a medical college, providing he completes an attendance on three courses of lectures in different years.

All applicants are required to pass an examination in the following subjects: Anatomy, physiology, surgery, practice, pathology, chemistry, materia medica, therapeutics and obstetrics. The Boards are empowered to recognize without examination certificates issued by other Boards having requirements of as high a standard as those governing the Board of Maryland. Physicians in the District of Columbia may be licensed without fee or examination.

"We reciprocate with New Jersey and Delaware."—Secretary Scott, March 12, 1904.

Dr. J. M. C. P. Scott, Hagerstown, is Secretary of the Board, representing the Medical and Chirurgical Faculty of Maryland, and Dr. Jos. S. Garrison, Easton, is Secretary of the Board representing the Maryland State Homeopathic Society. Applications should be made to the Secretary of the Board before which the applicant desires to appear.

MASSACHUSETTS.

The State Board of Registration in Medicine is required to examine all persons who desire to commence the practice of medicine in this State. The examinations are wholly or in part in writing in the English language, and of a scientific and practical character. They include the subjects of anatomy, surgery, physiology, pathology, obstetrics, gynecology, practice of medicine and hygiene, and are sufficiently thorough to test the applicant's fitness to practice medicine. The applicant must be over twenty-one years of age, and of good moral character.

Dr. E. B. Harvey, State House, Boston, is the Secretary of the Board.

MICHIGAN.

Under the law of 1903 all men and women who wish to begin the practice of medicine and surgery in any of its branches in this State, shall make application to the State Board of Registration in Medicine, to be registered and for a certificate of registration. This registration and certificate shall be granted to such applicants as shall give satisfactory proofs of being twenty-one years of age and of good moral character, but only upon compliance with at least one of the following conditions:

First, That applicant shall be registered and given a certificate of registration if he shall satisfactorily pass an examination before the Board upon the following subjects: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, toxicology, histology, practice of medicine, surgery, obstetrics, gynecology, mental and nervous diseases, diseases of the eye, ear, nose and throat, bacteriology, hygiene, public health laws of Michigan and medical jurisprudence. * * * Provided, however, that such applicant for examination shall have a diploma from a legally incorporated, regularly established and reputable college of medi-

cine within the States, Territories, Districts and Provinces of the United States, or within any foreign nation (provided such foreign nation accord a like privilege to graduates of approved medical colleges of this State) having at least a four years' course of seven months in each calendar year, as shall be approved and designated by the Board of Registration in Medicine: Also provided, That such applicant shall have, previous to the beginning of his course in medicine, a diploma from a recognized and reputable high school, academy, college or university having a classical course, or shall pass an examination equivalent at least to the minimum standard of preliminary education adopted and published by the Board before examiners appointed by and in accordance with the regulations of aforesaid Board, and at such time and place as the Board may designate: Provided, a student entering a college in Michigan, having a preliminary examination of the standard approved by the Board of Registration in Medicine, shall not be required to take this examination: Provided, That this requirement of preliminary education shall not apply to those students who, on the date of the passage of this act, were regularly registered as students of legally organized and reputable medical colleges approved of by said Board: And provided, also, That the requirements of medical education shall not apply to those graduates of legally organized and reputable medical colleges approved of by said Board who had graduated from such colleges, previous to the date of the passage of this act; and students complying with the other provisions of this section who on January 1st of the present year were regularly registered as students of legally organized and reputable medical colleges of this State, approved of by said Board, may obtain a certificate of registration as graduates of such colleges and without examination by the Board upon payment of a fee of ten dollars.

Second, the applicant shall be registered and given a certificate of registration if he shall present a certified copy or certificate of registration or license which has been issued to said applicant in any foreign nation where the requirements of registration shall be deemed by said Board of Registration in Medicine to be equivalent to those of this act: Provided, Such country shall accord a like privilege to holders of certificates from this Board. The fee for registration from applicants of this class shall be twenty-five dollars.

Third, the applicant shall be registered and given a certificate of registration if he shall present a certified copy of certificate of registration or license which has been issued to said applicant

within the States, Territories, Districts or Provinces of the United States where the requirements for registration shall be deemed by the Board of Registration in Medicine to be equivalent to those of this act, and shall otherwise conform to the rules and regulations agreed upon between the State Board of which he is a licentiate and said Board relative to the recognition and exchange of certificates between States: Provided, such States shall accord a like privilege to holders of certificates from this Board.

"Michigan at the present time reciprocates with Wisconsin, Indiana, Maryland, Kentucky and Nebraska under Qualifications Nos. I* and II†, and with Illinois, Ohio, New Jersey and Maine under Qualification No. I."—Secretary, March 15, 1904.

Dr. B. D. Harison, Sault Ste. Marie, is Secretary of the Board.

MINNESOTA.

All persons who hereafter commence the practice of medicine and surgery in this State must apply to the Board of Medical Examiners for a license, and the applicant, at the time and place designated by the Board, or the regular meeting of the Board, must submit to an examination. Graduates prior to July 1, 1887, must present evidence of having attended two courses of lectures in different years, if their diploma dates later than July 1, 1887, and prior to January 1, 1899, three courses are required, and if subsequent to January 1, 1899, four courses.

After January 1, 1902, applicants for license to practice medicine and surgery must present evidence of having attended four (4) full courses at a medical college recognized by the Minnesota State Board of Medical Examiners, of at least twenty-six weeks each, no two courses being in the same year. Graduates of medical colleges granting advanced standing for work done at other than medical colleges are not eligible to the examinations given by this Board. The above does not apply to such students as have been granted advanced standing prior to September, 1901. "Non-graduates are not admitted to examination."—Secretary, Feb. 12, 1903.

Dr. C. J. Ringnell, Minneapolis, is Secretary of the Board.

MISSISSIPPI.

Any person who desires to obtain a license to practice medicine and surgery can apply in writing to the State Board of Health and

*State license issued on examination.

†State license issued on diploma.

be examined by this Board touching his learning in the following branches of medicine: Anatomy, chemistry, obstetrics, materia medica, physiology, pathology, surgery and hygiene.

Dr. J. F. Hunter, Jackson, is Secretary of the Board.

MISSOURI.

Any person who desires to commence the practice of medicine in this State can appear before the State Board of Health and be examined as to his fitness. The examination embraces the subjects of anatomy, chemistry, physiology, pathology, therapeutics, obstetrics, gynecology, surgery, practice of medicine, medical jurisprudence, bacteriology and hygiene.

Any student who matriculated in a medical college in Missouri prior to March 13, 1901, will be granted a certificate without examination.

Dr. W. F. Morrow, Kansas City, is Secretary of the Board.

MONTANA.

All persons wishing to practice medicine in this State must apply to the State Board of Medical Examiners for a certificate and present a diploma from a medical school; legally organized and in good standing, and submit to an examination in such branches of medicine as the Board may deem advisable. The applicant must also present evidence of having attended four courses of lectures of at least six months each, if he graduated after July 1, 1898. Reciprocity with other States is permitted.

"No reciprocity, as yet, with other States."—Secretary, April 9, 1904.

Dr. Wm. C. Riddell, Helena, is Secretary of the Board.

NEBRASKA.

An examination is required in this State of all applicants. The applicant must be a graduate of a medical school or college in good standing with the State Board of Health. The applicant who graduated after August 1, 1898, must show proof that he has attended four full courses of lectures at a recognized medical college, no two courses being in the same year. The applicant who graduated after August 1, 1891, and prior to August 1, 1898, must show proof that he has attended three full courses of lectures at a recognized medical college, no two courses being in the same year. Applicants who graduated prior to August 1, 1891, must

show proof of having attended two full courses of lectures. The examination is in the following branches, to wit: Anatomy, physiology, chemistry, materia medica and therapeutics, practice of medicine, surgery, obstetrics and diseases of women, pathology and such other branches as the Board shall deem advisable.

The State Board of Health may, at its discretion, admit, without examination, legally qualified medical practitioners who hold certificates to practice medicine in any State with equal requirements to those of the State of Nebraska. "Nebraska now reciprocates under both qualifications* with Michigan, Indiana and Wisconsin, and will in all probability reciprocate with Iowa after the next meeting of the Iowa Board in May. Illinois is the only State with which we are reciprocating only under the examination qualification."—Secretary, March 23, 1904.

Dr. Geo. H. Brash, Beatrice, is Secretary of the Board.

NEVADA.

Certificates are issued by the State Board of Medical Examiners without examination to the following persons: (a) Graduates of reputable and legally chartered medical institutions of the United States, which are in good standing with the Board; (b) persons who have received licenses from the State Examining Boards of any State of the United States, "providing the holder of said State certificates has been practicing in this State (presumably Nevada) for at least five years." The Board examines persons who have been engaged in the practice of medicine in Nevada for at least five years, and graduates of foreign medical colleges, in all subjects relating to the practice of medicine and surgery.

Dr. S. L. Lee, Carson City, is Secretary of the Board.

NEW HAMPSHIRE.

The Superintendent of Public Instruction, ex officio, is the Regent of the State Board of Medical Examiners. He will admit to examination any candidate who pays a fee of ten dollars and submits satisfactory evidence (1) that he is more than twenty-one years of age, (2) is of good moral character, (3) has graduated from a registered college or satisfactorily completed a first course in a registered academy or high school, or had a preliminary education considered and accepted by the regents as fully equivalent, (4) has studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of at

*State licenses issued on either examination or on diploma.

least six months each, in four different calendar years, in a medical college registered as maintaining at the time a satisfactory standard (the Regent will accept as the equivalent of any part of the third and fourth requirements, evidence of five or more years' reputable practice, provided that such substitution be specified in the license), (5) or has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country. Subjects for examination: Chemistry, surgery, physiology and hygiene, anatomy, obstetrics, pathology and diagnosis, therapeutics. Applicants examined and licensed by other State Examining Boards, registered by the Regent as maintaining standards not lower than those provided above, and applicants who matriculated in a New Hampshire medical school before January 1, 1898, and who received the degree of M. D. January 1, 1903, may, without further examination, on payment of five dollars to the Regent, and on submitting such evidence as may be required, receive an endorsement of their licenses or diplomas conferring all rights and privileges of the Regent license issued after examination.

"The reciprocity clause is not enforced, and probably will not be at present."—Regent State Board of Examiners, Feb. 5, 1903.

"No reciprocity with other States."—Regent, March 14, 1904.

Hon. Channing Folsom, Concord, is Regent of the three State Boards of Examiners, representing respectively the Regular, Homeopathic and Eclectic Schools.

NEW JERSEY.

All persons beginning the practice of medicine in any of its branches in New Jersey must apply to the State Board of Medical Examiners for a license, either through examination or the indorsement of a license issued after a satisfactory and approved examination by another State.

Academic Requirements: Candidates for examination must present a certificate of academic education, or a certified copy of diploma, to attach to and file permanently with their application, showing that their academic education meets at least one of the following requirements of the statute:

(a) A certificate or diploma issued after four years of study either in a normal, manual training or high school of the first grade in New Jersey, or in a legally constituted academy, seminary or institute of equal grade.

6—Med. Ex.

(b) A student's certificate of examination for admission to the freshman class of a reputable literary college, attested by the seal of the institution attended, or before a notary.

(c) A certificate from the State Superintendent of Public Instruction of New Jersey that the candidate has presented to him satisfactory credentials of an academic education considered and accepted by him as fully equivalent to either of the above requirements.

Medical Requirements: Candidates must have received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college (which was in good standing at the time of issuing said diploma) in the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country, and have also studied medicine not less than four full school years of at least nine months each, including four satisfactory courses of lectures of at least seven months each, in four different calendar years in some legally incorporated American or foreign medical college or colleges, prior to the granting of said diploma or foreign license.

First Exemption: Candidates for license who graduated prior to July 4, 1903, and have been in continuous and reputable practice for at least five years since graduation, may be admitted to the examinations upon certified and satisfactory evidence of moral character, of three courses of medical lectures in different calendar years and of a competent academic education according to the standard of that time.

Second Exemption: Candidates for license who graduated prior to July 4, 1894, and have been in continuous and reputable practice since graduation, may be admitted to the examinations upon certified and satisfactory evidence of moral character, of two courses of medical lectures in different calendar years and of a competent academic education according to the standard of that time.

Medical licenses issued after examination by other States may be indorsed by New Jersey, in lieu of examination: **Provided,** That the standards of academic, medical and examining requirements of the State issuing the license are substantially the same as those of New Jersey: **And provided, further,** That the candidate for indorsement complies with the conditions required from candidates for examination.

Candidates for indorsement are required to furnish certified evidence of having passed a satisfactory and approved state exam-

ination in substantially the same medical branches and under essentially the same rules and regulations as required by New Jersey for examination, and to have received a State license upon an average marking of at least 75 per cent. In addition to this, certified evidence of moral character must be submitted, either from an incorporated medical society or from two legally qualified physicians, residents of the same locality as the candidate, with a letter of recommendation for indorsement from a registered physician of New Jersey. New Jersey indorses the licenses of Illinois and other States, a list of which is not at present obtainable.

Dr. E. L. B. Godfrey, Camden, is the Secretary of the Board.

NEW MEXICO.

The act to regulate the practice of medicine in New Mexico, now in force, provides that the New Mexico Board of Health shall, upon the production of evidence satisfactory to it, license any reputable person who is a graduate of a medical college in good standing, as defined by this act, to practice medicine, surgery and obstetrics in New Mexico. A medical college in good standing for the purpose of this act is declared to be one of at least ten years' continuous existence, one which now requires a high school certificate or its equivalent for admission to it, and one which now or hereafter requires an attendance on, and gives four full courses in four separate years, and one which has ample clinical facilities such as are furnished in large cities. And said Board shall at its December meeting in each year prepare and cause to be printed and distributed for the information of those interested, a copy of this law and a list of the medical colleges in the United States of America recognized by it to be in good standing under this section. And such Board shall recognize any honorary or emeritus degree conferred upon any eminent foreigner by any such college as fully and to the same extent as if the applicant were a regular graduate thereof.

Upon payment to the Board of the fees provided for, the Board may grant licenses to licentiates of other States and Territories which have like requirements as this act provides for, and when said States and Territories also honor New Mexico licenses or certificates. "We have no reciprocity with other States."—Secretary, March 14, 1904.

Dr. B. D. Black, Las Vegas, is Secretary of the Board.

NEW YORK.

The regulation of the practice of medicine of this State is under the control of the Regents of the State University, by whom the three State Examining Boards representing the three schools of medicine are appointed. The examinations are conducted by a Regent's examiner and the answers are rated by the members of the Board. An applicant to practice must show evidence of a high school education or its equivalent, and of having studied medicine not less than four full years of at least nine months each, including four full satisfactory courses, and at least six months in four different calendar years. Applicants who graduated before January 1, 1902, need not show evidence of more than three courses of lectures. Each applicant (certain matriculates of New York colleges excepted) must pass a thorough examination in anatomy, physiology and hygiene, chemistry, surgery, obstetrics, pathology and diagnosis, and therapeutics, including practice and materia medica. The Regents are empowered to recognize licenses issued in other States. "We do not at present accept licenses issued by any other State Board, as the Boards of Medical Examiners have not considered licenses issued by any other Board of a standard equal in all respects to that of this State."—Secretary, Jan. 11, 1903. "There have been no changes in the rules regulating the medical licensing examinations in this State during the past year."—Secretary, March 14, 1904.

James Russell Parsons, Jr., Albany, is Secretary of the Regents of the University.

NORTH CAROLINA.

The law requires an examination of all applicants by the State Board of Medical Examiners in surgery, physiology and hygiene, anatomy and histology, obstetrics and gynecology, practice of medicine, materia medica and therapeutics, chemistry and pharmacy. To be eligible to examination the candidate must present a diploma from a medical college in good standing, which requires of its graduates after January 1, 1900, an attendance of not less than three years, or a license or other satisfactory evidence of standing as a legal practitioner in another State.

Dr. Geo. W. Pressly, Charlotte, is Secretary of the Board.

NORTH DAKOTA.

An applicant for a license must present evidence of having attended three courses of lectures of at least six months each, and pass an examination before the State Board of Medical Examiners, in the following branches: Anatomy, physiology, chemistry, histology, materia medica, therapeutics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence, and such other branches as the Board deems advisable.

Dr. H. M. Wheeler, Grand Forks, is Secretary of the Board.

OHIO.

An applicant for examination before the Ohio State Board of Registration and Examination must present evidence of preliminary education equivalent to that covered in a four years' course in a high school, or pass an examination conducted by certified examiners under the direction of the Board, and present a diploma from a medical institution in the United States in good standing with the Board, or a diploma or license approved by the Board, issued in some foreign country. Each applicant will be examined in the following subjects: Anatomy, physiology, chemistry, materia medica, practice, pathology, obstetrics, physical diagnosis and diseases of women and children. The law empowers the Board to license without examination applicants holding certificates issued by other State Boards having equal requirements. "Ohio now reciprocates with Indiana, Illinois, Michigan and Wisconsin upon examination certificates only."—Secretary, March 16, 1904.

Dr. Frank Winders, Columbus, is Secretary of the Board.

CHRISTIAN SCIENTISTS SCORE.

OHIO LAW DISCRIMINATING AGAINST THEM IS DECLARED VOID.

Sandusky, Ohio, April 18.—In Common Pleas Court here this afternoon Judge Reed ruled that the state medical registration and examination law is unconstitutional because it limits the right to practice the healing art without the use of drugs or medicines to osteopaths, and by the rule of exclusion Christian Scientists are prohibited from practicing such pursuits.

He said it should be amended so as to allow for a reasonable examination for Christian Scientists and for registration.

The ruling was made in the case of Oliver W. Marble of Sandusky, who was convicted some months ago and fined on a charge of practicing medicine without a license. Marble had treated a case of rheumatism according to Christian Science.—Chicago Inter Ocean, April 19, 1904.

NOTE.—The State Board of Medical Registration and Examination will doubtless take an appeal to the Supreme Court.

OKLAHOMA.

No person hereafter shall practice medicine or surgery in this Territory without first obtaining a license from the Territorial Board of Health. Application for license shall be made in writing, accompanied by a proof of good moral character, and proof of ten years' continuous practice or proof of graduation from a reputable medical college. When the application has been inspected by the Board and found to comply with the foregoing provisions, the Board shall notify the applicant to appear for examination at a time and place designated in such notice. Examination shall be made in whole or in part in writing and be sufficiently strict to test applicant's qualifications to practice medicine. All members of the Board shall be present and participate in such examinations.—Section 5, Act of 1903. In force March 12, 1903.

The applicant must pass an examination before the Board in the following branches, viz.: Anatomy, chemistry, physiology, materia medica and therapeutics, medical jurisprudence, surgery, obstetrics, physical diagnosis and the general practice of medicine and attain a grade of 66 2-3 per cent. in each branch.

Dr. E. E. Cowdrick, Enid, is Secretary of the Board.

OREGON.

An applicant for a license must make an affidavit to the State Board of Medical Examiners, setting forth the actual time spent by him in the study of medicine, and pass an examination in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, histology, diseases of children, diseases of women, diseases of the nervous system, obstetrics, diagnosis, practice of medicine, surgery, medical jurisprudence, eye and ear.

Reciprocity with other States is permitted. "Oregon has not established reciprocity with any State."—Secretary, March 21, 1904.

Dr. Byron E. Miller, Portland, is Secretary of the Board.

PENNSYLVANIA.

Applicants for the State examination are required by law to submit to the Medical Council evidence of a preliminary education equivalent to a high school course (or pass a preliminary examination) and present a diploma from a legally incorporated medical college of the United States or a diploma or license conferring the

right to practice in some foreign country, and pass an examination in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica. The rules of the Medical Council require that a preliminary examination shall be required from all candidates for medical licenses in the following branches, to wit: Arithmetic, grammar, geography, orthography, American history and English composition. The diploma of a college, diploma of an academy, seminary, normal school, or high school, or a teacher's permanent certificate, or a student's certificate of examination for admission to the freshman class in a literary college, shall be accepted in lieu of such examination. Applicants who received their degrees in medicine since the first day of July, 1894, must have pursued the study of medicine for at least three years, including three regular courses of lectures in different years, in some legally incorporated medical college, prior to the granting of the diploma or license, and after the first day of July, 1895, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures in different years, in some legally incorporated medical college, prior to the granting of the diploma or license. Examinations are conducted by the Boards representing the Regular, Homeopathic and Eclectic Schools of Medicine, but application should be made to the Medical Council. The law contains a reciprocity clause, which is practically inoperative. "The Medical Council accepts nothing but licenses from the State of New York."—Secretary, Dec. 1, 1902. No information obtainable from the Secretary of the Medical Council in 1904.

NO RECIPROCITY BETWEEN NEW YORK AND PENNSYLVANIA.

The Medical Council of Pennsylvania, at its session in Harrisburg, Feb. 13, 1904, took the following action:

Whereas, On careful examination, we find that the standard of requirements of the medical examination of the State of New York is not substantially the same as that of the medical examination of the State of Pennsylvania; therefore, be it

Resolved, 1. That on account of the disparity existing as to the requirements in the States of New York and Pennsylvania, New York licenses shall not be accepted as the authority for granting Pennsylvania licenses under the provision of the act approved May 18, 1893.

Resolved, 2. That a copy of this action be sent to The Journal of the American Medical Association and to the dean of each medical college in the State of Pennsylvania.—Journal of the American Medical Association, March 5, 1904.

Hon. Isaac B. Brown, Harrisburg, is the Secretary of the Medical Council.

botany, chemistry, organic and inorganic, and medical physics, bacteriology and pathology; and the senior curriculum the following branches: anatomy, regional or surgical; practical hygiene and sanitary science, state medicine, practical uranalysis, urinary microscopy, therapeutics and toxicology, surgery, general and special; surgical procedure, practical medicine and diseases of children, practical obstetrics and gynecology, and medical jurisprudence. The examinations shall be either in writing or orally, or both, at the discretion of the Board.

All applicants before the Board holding a diploma from a four-year graded medical college of established reputation, whether in or out of the State, who have pursued a study of four separate courses, and have attained a mark of not less than 75 per cent. on each individual branch of their curriculum, as evidenced by certificate from the Dean of their college, shall be exempted from examination in the junior curriculum, and shall be examined only on those subjects contained in the senior curriculum, as heretofore outlined. Those applicants who hold diplomas issued by chartered medical colleges, but whose term of attendance has been less than four years, as above stated, must pass upon both the junior and senior curriculums, as must also those attending a four years' course who can not produce a certificate showing that they have attained a mark of 75 per cent. on all branches of their college curriculum.

The Board is empowered to indorse, without examination, the licenses issued by other State Boards having an equal standard. Upon the refusal of the Board to grant a license to any applicant, an appeal may be had to the Governor, who may order a re-examination of the applicant, to be held in the presence of the Dean of the faculty of any medical college in this State, and a committee composed of seven practicing physicians.

Dr. S. C. Baker, Sumter, is Secretary of the Board.

SOUTH DAKOTA.

A law enacted in South Dakota in 1903 provides for the creation of a State Board of Medical Examiners and an examination of all persons not already authorized to practice. This law is now in force.

The applicant must be a graduate of a recognized medical college. Applicants who graduated since 1898 must show evidence of having taken four full courses of lectures in separate years. The examination is in the following branches of medicine: *Anatomy, physiology, chemistry, pathology, therapeutics, practice, sur-*

gery, obstetrics, gynecology, eye and ear, bacteriology, medical jurisprudence and such other branches as the Board may deem advisable.

Reciprocity with other States is permitted. "The Board has no agreement by which it will accept certificates from other Boards."—Secretary, March 15, 1904.

Dr. H. E. McNutt, Aberdeen, is Secretary of the Board.

TENNESSEE.

The law requires that each applicant for certificate shall pass an examination in the following branches, viz.: Anatomy, physiology, chemistry, pathology, surgery, obstetrics, materia medica and practice before the State Board of Medical Examiners.

Dr. T. J. Happel, Trenton, is Secretary of the Board.

TEXAS.

Any person over twenty-one years of age, of good moral character, is eligible to the examination by any one of the three Board of Medical Examiners for the State of Texas, representing the three schools of medicine. Each applicant shall be examined in the following branches: Anatomy, physiology, chemistry, materia medica, therapeutics, histology, pathology, practice of medicine, surgery, including diseases of the eye, ear, nose and throat; obstetrics, gynecology, hygiene and medical jurisprudence. Applications for license must be made to the President or Secretary of the Board before which the applicant desires to appear. "This Board has passed a resolution that no one will be permitted to appear for examination who has not attended at least two full courses of medical lectures at a reputable medical college in two different years."—Secretary M. M. Smith, March 15, 1904.

The law provides for reciprocal relations with other States having equal requirements. List of States not obtainable.

Dr. M. M. Smith, Austin, is Secretary of the Board of Medical Examiners for the State of Texas. Dr. Hunter S. Stiles, Gainesville, Secretary of the Board of Homeopathic Medical Examiners of the State Board of Texas, and Dr. L. S. Downs, Galveston, Secretary of the Board of Eclectic Medical Examiners for the State of Texas.

UTAH.

The State Board of Medical Examiners will issue certificates to all applicants who furnish proof of having received diplomas

from medical colleges of good standing in the States where they exist and who pass a satisfactory examination before the Board in obstetrics, anatomy, chemistry, pathology, physiology, gynecology, surgery, materia medica, practice and hygiene.

Dr. R. W. Fisher, Salt Lake City, is Secretary of the Board.

VERMONT.

The regulation of the practice of medicine in this State is under the control of the Board of Censors of the State medical societies. Each examining Board apparently fixes its own standards. Section 4631 provides that each Board shall issue certificates to physicians who present to each examining Board a diploma from a medical college and who by examination satisfy the Board that they are entitled to practice. All applicants for license will be examined on the following subjects: Anatomy, physiology, chemistry, pathology, materia medica, surgery, practice of medicine, obstetrics and hygiene. Reciprocity with other States is permitted by a 1903 amendment to the law. "Reciprocity not yet established."—Secretary Hammond, March 14, 1904.

Dr. S. W. Hammond, Rutland, is Secretary of the Board representing the Vermont State Medical Society. Dr. E. B. Whittaker, Barre, is Secretary of the Homeopathic Board, and Dr. P. L. Templeton, Montpelier, is Secretary of the Eclectic Board.

VIRGINIA.

The State Board of Medical Examiners of this State is required to admit to examination any person who presents a diploma from some medical college chartered by the State in which the same is situated. The following resolution was adopted by the Board at its meeting held at Staunton, June 24-27, 1901: "Resolved, That the Medical Examining Board of Virginia will in the future decline to recognize the diploma of any college which does not conform to the requirements of the Association of Medical Colleges." When an applicant shall have made an examination satisfactory as to his proficiency, a certificate will be issued him. At present time the examination comprises the following subjects: Hygiene and medical jurisprudence, anatomy, physiology, chemistry, histology, pathology and bacteriology, materia medica and therapeutics, obstetrics and gynecology, practice and surgery.

Reciprocity with other States is permitted. "Virginia reciprocates with other States according to the following resolution: 'Resolved, That the Virginia Medical Examining Board will re-

ciprocate with Boards of other States, but deems it necessary for its own protection that every applicant claiming such recognition shall in person present with his petition a diploma from a reputable medical school, together with an attested certificate from a State Medical Examining Board having equal requirements with our Board and willing and authorized to give similar recognition to those who hold our certificate. Applicants complying with above condition and paying usual fee shall be granted a certificate.'"—Secretary, March 14, 1904.

Dr. R. S. Martin, Stuart, is Secretary of the Board.

WASHINGTON.

An applicant for a license to practice medicine and surgery in this State must be a graduate of duly authorized medical college now having at least a three year's graded course. Each applicant must submit to an examination before the State Board of Medical Examiners in the following branches: anatomy, physiology, chemistry, histology, materia medica, therapeutics, preventive medicines, practice of medicine, surgery, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence and such other branches as the Board shall deem advisable.

The Board may accept licenses issued by other States. "Reciprocity has not been established with any State."—Secretary, April 1, 1904.

Dr. P. B. Swearingen, Tacoma, is Secretary of the Board.

WEST VIRGINIA.

The following persons only are permitted to practice medicine in this State. First, those legally entitled to practice medicine in the State on the 22d of February, 1895; second, those who pass an examination before the State Board of Health and receive certificates from the Board. The examinations cover all the essential branches of the science of medicine and surgery, including anatomy, chemistry, bacteriology, hygiene, materia medica, physiology, practice, surgery, gynecology and obstetrics.

Dr. H. A. Barbee, Point Pleasant, is Secretary of the Board.

WISCONSIN.

All persons commencing the practice of medicine or surgery in any of their branches in this state shall apply to the State Board of Medical Examiners at the time and place designated by said Board, or at any regular meeting thereof for license so to practice, and shall present to said Board a diploma from a reputable college of medicine and surgery. A college to be deemed reputable by this

Board shall require at least four courses of not less than seven months each before graduation, no two of such courses to be taken within any one twelve months, and that shall require for admission thereto a preliminary education equivalent to that necessary for entrance to the junior class of an accredited high school in this State, including one year's course in Latin, and that shall after the year of 1906 require for admission to such school a preliminary education equivalent to graduation from an accredited high school of this State, and shall submit to an examination in the various branches in medicine and surgery usually taught in reputable medical colleges.

Any practitioner of medicine holding a certificate from any other State Board imposing requirements equal to those established by the Board provided for herein, may on presentation of the same with a diploma from a reputable medical college, be admitted to practice within this State without an examination, at the discretion of the Board.

Any practitioner of medicine or surgery holding a license from the State Board of Medical Examiners of any adjoining State, dated since January 1, 1901, shall, on presentation of the same within one year from the taking effect of this act, accompanied by a certificate from the Secretary of the State Board of Medical Examiners of the State issuing the license that such applicant is a reputable practitioner of medicine and surgery, be licensed to practice medicine and surgery in this State, without an examination, at the discretion of the Board, on payment of the fee. "Wisconsin reciprocates under Qualification I* with Illinois, Ohio and Maine, and under Qualifications I* and II† with Michigan, Indiana, Kentucky, Maryland and Nebraska."—Secretary March 21, 1904.

Dr. Filip A. Forsbeck, Milwaukee, is Secretary of the Board.

WYOMING.

A graduate in medicine desiring to practice in this State shall be issued a certificate by the State Board of Medical Examiners, providing he presents a diploma issued by a medical college of recognized merit, said college being a member of the American Association of Medical Colleges, the Homeopathic Institute or the National Eclectic Medical Association, or any college of similar standing in foreign countries. Persons holding diplomas, certificates or other credentials from schools or institutions of other than recognized merit, may be examined by the Board in the usual branches of medicine.

Dr. C. P. Johnson, Cheyenne, is Secretary of the Board.

*State license issued on examination.

†State license issued on diploma.

KEY TO COLLEGE NUMBERS USED IN COUNTY LISTS.*

OSTEOPATHY.

Additional Section 4. The said Board may grant limited certificates which shall authorize the proper Clerk to issue to the holder thereof a license to practice osteopathy only. Such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed by said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction. Such license shall not authorize the holder thereof to administer or prescribe or use on one other than himself any drugs or medicines, and any such administration, prescription or use of any drug or medicine by the person holding such limited license shall be practicing medicine without a license, and such person shall be punished therefor as others are punished for practicing medicine without a license: Provided, further, That any person now holding a diploma issued from any college of osteopathy in the United States, and [who] is [now] a resident of the State of Indiana, shall be granted a certificate and license to practice osteopathy upon presenting his diploma to said Board and Clerk and paying the fee required by this act.

May 15, 1901.

Whereas, by the amendments of 1901 to the medical act, the State Board of Medical Registration and Examination may grant limited certificates which will authorize the proper Clerk to issue a license to practice osteopathy only; and,

Whereas, it is provided by the law that "such certificate shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed by

said Board as to instructions in materia medica, but such college shall so conform in all other branches of instruction; therefore,

“Resolved, That all applicants for registration to practice osteopathy in the State of Indiana and the colleges from which they procured their diplomas must comply with the schedules of minimum requirements in force at the time of application, except in so far as pertains to materia medica.”

Inasmuch as the law regulating the practice of medicine, surgery and obstetrics in Indiana was, in 1901, so amended as to exempt from examination applicants for registration to practice osteopathy, who were, on March 11, 1901, residents of this State and possessed of diplomas from any osteopathic college in the United States; therefore, in order to establish what constitutes such college,

Resolved, That the diplomas of such applicants must have been issued by institutions possessing equipment and a curriculum equal to that fixed by the Associated Colleges of Osteopathy, as set forth by its Constitution in 1898.

Resolved, That graduates of osteopathic colleges in good standing, who matriculated therein prior to March 11, 1901, and who have, in all other respects, complied with the requirements of this Board for registration, be and are eligible to examination as to qualification for registration: Provided, That on and after said date a certificate of qualification to practice osteopathy will be issued to an applicant therefor on the same terms and conditions as others, except that he shall not be required to pass the examination in materia medica, nor shall the college from which he presents a diploma be required to have conformed to the standard fixed by this Board as to instructions in materia medica, but such college shall have so conformed in all other branches of instruction.

No.

Form No. 7.

LIMITED CERTIFICATE.
OSTEOPATHY.

STATE BOARD OF MEDICAL REGISTRATION AND EXAMINATION
OF THE STATE OF INDIANA.

This is to certify, That, pursuant to the provisions of “An act regulating the practice of Medicine, Surgery and Obstetrics; providing for the issuing of licenses to practice; providing for the appointment of a State Board of Medical Registration and Examination and defining their duties;

defining certain misdemeanors and providing penalties, and repealing all laws in conflict therewith and certain acts therein specified," approved March 11, 1901.....D. O., of the County of , in the State of Indiana, whose postoffice address is , has made application for a certificate authorizing a license to practice Osteopathy in said State, and upon evidence presented it appears that ..he is the legal possessor of a

 issued to the person named therein; that ..he has paid the proper fee prescribed by the law and in all other respects complied with said act, and upon the presentation of this Certificate to the Clerk of..... County, is entitled to a license to practice Osteopathy in the State of Indiana.

In witness whereof, The said Board of Medical Registration and Examination has caused this Certificate to be granted and signed by its President and Secretary, and attested by its official seal at Indianapolis, this day of 190....

.....President.
Secretary.

LIMITED LICENSE.

State of Indiana, ... County.

I, ... Clerk of the Circuit Court of County, in the State of Indiana, do hereby certify that has complied with the laws of the State of Indiana relating to the practice of "Osteopathy" only, in the County and State aforesaid. See page 481, Acts 1901.

Witness my hand and the seal of said Court, this day of 190....

..... Clerk.
